The Congregational Union. At the closing meeting the address on "Social Reform" by Rev. John Burton of Toronto was the principal topic of discussion. Rev. Charles the principal topic of discussion. Rev. Charle Duff of Toronto approved of the address as a whole and held with Major Bond that the point t which the long-hoped-for Christian unity rould be materialized was the practical applica-ion of the golden rule to the social and moral and the golden rule to the series and series questions of the world. Mr. Burton asserted ihat love as a more emotion was not fulfilment of Christian ethics. The Christian love that has been termed "gush" would accomplish nothing. The practical application of charity and justice was needed. Rev. Dr. Wild of Toronto opposed the placing of the paper in the Year Book on the pround that it contained failacies. It practically divocated connection between church and state to enforce the principles taught by the church. As a result the paper was adopted with the under-tanding that it should not appear in the Year Book. The name of Rev. J. P. Gerrie of Toronto was suggested as that of secretary for 1892-93. He was unanimously elected antid loud applause. Rev. Jr. Daley was elected statistical secretary. Rev. Mr. McGregor of Forest, late of Toronto, presided at the farewell meeting. ions of the world.
