GRACE CHURCH GARDEN PARTY

A most successful garden party was held by the ladies of Grace Anglican Church, Thursday evening, June 21st, at the beautiful home of Mr. and Mrs. George Allan Westgate, fourth line, S.E.R., Warwick township when several hundred people gathered and enjoyed to the full the good things provided.

A splendid selection of musical numbers was given by the orchestra of St. Paul's Anglican church, Kerwood, while others who contributed to the program were: Mrs. George Brooks, Mrs. Murray and Mr. Lawrence Wyatt, who delighted the audience with their vocal selections. The humorous part of the program was well looked after by Messrs. Jas. Lucas and Evan Denning, who scored quite a number of hits with their comic duets.

Dr. Jones entertained the audience with cartoon sketches.

The main feature of the program was the popular Canadian Patriotic Pageant which was given by the young people of St. Ann's Anglican Church, Adelaide. About thirty characters took part in the pageant, attired in the costumes to represent the various nationalities which make up the peoples by speech or song. The pageant was both entertaining and instructive.

The hot weather proved very profitable to those in charge of the refreshment booths, and a substantial sum was raised for the funds of the church.

As to some complaints re Mr. S. B. Chambers making a mistake and issuing some orders that were not correct for Ward No. 2, Township of Warwick in 1922, I have examined said orders at Treasurer's office and find they are quite satisfactory to Treasurer and myself and if any persons wishes to see orders they may do so by calling at Treasurer's.—W. E. Parker, Reeve.

What might have proven a very serious accident happened at Warwick Village on Thursday evening of last week, when eight year old Kenneth Thompson, grandson of Mr. Larry Roberts was knocked down and run over by a car driven by Robert Ross of the London Road. The car was quickly stopped and the little lad crawled out from under the hind axle, little the worse of his experience.

Two barns on Ezra Edwards farm, second line, were consumed by fire, the result of spontaneous combustion on Monday last. A son of Mr. Edwards was turning the clover hay in the mow when it suddenly burst into flames, the young man having a narrow escape from severe burns while getting out. In an incredibly short time the buildings were completely consumed, notwithstanding every effort to save the buildings. The loss is a serious one. Partially insured.

Springbank Park was the scene of a unique gathering Thursday, when the 41st wedding anniversary of Mr. and Mrs. William Waun, of the Main Road, Warwick, was celebrated there. About 40 relatives, including 15 grandchildren, were present. After a most appetizing luncheon, followed by several addresses, the key-notes of which were congratulatory messages from members of the family to Mr. and Mrs. Waun, wishing them many more years of continued happiness, the party left for their respective homes in the vicinity of Watford.

Mr. Robert Hall, Birmam, met with what might have been a very serious accident, while assisting at a bee to move a barn, purchased from George Richardson, by Charles Smith, who lost his three barns from fire by lightning recently. A wire fence was being torn down to make an opening through which the barn could be moved across fields to Mr. Smith's farm, when a rusty staple struck Mr. Hall in the eye with such force as to prostrate him to the ground. The eye bled profusely and in a short time began to pain a great deal. Mr. Hall's cousin, Mr. Dan Thompson, rushed him to Victoria Hospital, London where he remained for a few days treatment, returning to his home on Tuesday of last week. The injured eye being much improved with no impairment of the sight.

On Wednesday, June 20th, the girls of the D.O.B. Club of Kingscourt, motored over and held their June meeting at the home of Mrs. (Dr.) Woods of Arkona. There were three cars went, driven by Mrs. Russell Rivers, Miss Nellie Sutton and Mr. John McCormick. After spending a social hour on the beautiful lawn of Dr. Woods, they motored to Rock Glen, where the remainder of the afternoon was spent in viewing the scenery around the Glen. Then they returned to Mrs. Wood's where the hostess served a dainty buffet lunch, consisting of salads, sandwiches,

cake, ice cream and strawberries and lemonade. Most of the members were present and two visitors. After a hearty vote of thanks to Dr. and Mrs. Woods for their afternoon's entertainment the happy young people returned home highly delighted with their afternoon's enjoyment. The club has decided not to have their meetings during July and August. The September meeting to be held in the form of a corn roast at the home of Miss Mary Smith on Sept. 12th.

DEATH OF MR. ISAAC J. KADEY

On Tuesday of last week death removed from our midst a well and favorably known resident in the person of Mr. Isaac Jas. Kadey whose farm lies just east of the village.

Mr. Kadey was born on the sixth line, Warwick, on Oct. 29th, 1856, being the second son of the late Mr. and Mrs. Thos. Kadey, and spent his entire life in the community.

During the early autumn of last year the deceased met with a tragic accident while endeavoring to gain entrance into the barn mow of a neighbor, where he was helping at the threshing, when a brace to which he trusted his weight came loose, precipitating him to the cement floor below, a distance of some twenty-two feet. While he suffered minor injuries, the spine was seriously affected, and on medical advice he was removed to Victoria Hospital, London, where he remained several weeks, but without any permanent relief, his lower extremities continuing paralyzed. After undergoing trying agonies for ever eight months, which he bore with wonderful cheerfulness and Christian fortitude, his sufferings came to an end and he passed peacefully away on June 12, 1923.

Deceased was a man of sterling qualities who had a host of friends and in his removal the community is deprived of a valuable and worthy neighbor.

He was married to Mary A. Rivers of Warwick, who during the long and tedious months he was compelled to lie on his bed, proved a faithful and comforting helpmate.

He is survived by his sorrowing widow and a family of seven, Mrs. Gordon Newell, Springfield; Mrs. Jay Kitchen, Port Dover; Miss M. Olivia, of the Central School staff, Galt; Fred L. of the Bank of Montreal staff, Toronto; Lawrence R., H. Clifford and Charlotte G., at home; also two sisters and five brothers, Mrs. Chas. Jackson, Calgary; Mrs. Jos. McLean, Hamiota, Man.; J. W. and R. W. of Vancouver; T. W., of Okotoks, Alta; Geo. of Calgary, and

Wm. of Pt. Huron, the latter of whom spent the last few days with his brother, and along with his wife attended the funeral.

The funeral was held from the family residence on Thursday, June 14th, to the Watford cemetery and was largely attended. Services were conducted by Revs. W. K. Hager and J. H. Hosford, the bearers being Hy Williamson, D. Cameron, Jas. Harrower, Russel Ward, Frank Ward, and John Saunders, all adjoining neighbors of deceased.

Among the floral tributes received was one from the Brethren of Court Lorne No. 17, C. O. F., and one sent from the Public School teaching staff in the City of Galt.

"Gone to be with Christ, which is much better."

**"I Got it
For Passing
My Exams."**

Siddall Drug Co.

WATFORD, ONTARIO

"Gee, George. I bet my dad will get me a C.C.M., too. I studied hard all year, and I passed my exams. well. I think I deserve a bike, don't you."

"I hope you get it, Eddie. Then you can join the rest of us fellows in our runs out into the country and our picnics."

"I'm taking mine away on my vacation, too. There are lots of country roads to ride along and dandy woods to explore, some streams to fish in and other things to see, all within easy riding distance."

"Mother says it will be so handy to have a bike around. There's always the mail to go for and other errands to run."

"Well, George, I'm going to get my dad to go with me to the C.C.M. dealer's and see the new models—especially that dandy Curved Bar Sport Model and the other one a boy won't outgrow."

"Don't forget to tell him, Eddie, that C.C.M. Bicycles are away down in price. \$15 to \$20 less than the war prices. Also that they're made of English Seamless Tubing and equipped with the C.C.M. Triplex Hanger, Gibson Pedals and the Hercules Coaster Brake without extra charge."

"If he says he's short of cash, Eddie, tell him he only needs to pay a few dollars down, and the rest in small weekly or monthly payments."

"And I'll offer to help pay the balance, George. There are lots of jobs for a boy with a bicycle during the summer holidays, delivering small parcels, running messages and doing other things. It will be good experience and heaps of fun, too."

"Well, 'so long,' Eddie. Go to it and get that C.C.M. Bicycle."
