Our community was startled on Sunday, the 30th ult., when it became known that a case of diphtheria had developed in the neighbourhood. The house was placed under strict quarantine, and the school closed, and every precaution taken to stop the spread of the disease, and as no new cases have developed we are quite hopeful that it will die out. The one case proved fatal.

Mr. and Mrs. Douglas Karns will have the heart-felt sympathy of the community in the sad death of their little son Macks, age 8 year and nine months, which occurred on Monday evening, May 1st, after a short illness of three days of diphtheria. Macks was a bright, winsome little fellow, and was liked by everyone who knew him, his sudden death being a great shock to the neighbourhood. The little casket was covered with flowers gathered by his school mates, as follows: Bank of Mayflowers, pupils of Belleisle school; Wreath and Badge, members of Silver Thread Band of Hope; Wreath, Barbara Willett and Hettie Troop; Wreath, Maria Bailey, Edith Goodwin and Vera Hudson; Myrtle Spray, Mrs. Alfred Bent; Crown, his teacher, Miss Hettie Parker; Cut Flowers, Mrs. Herbert Bent. Interment took place in St. Mary's Cemetery on Tuesday afternoon, the Rev. Ernest Underwood officiating.

MEMORIAL SERVICE TO PTE. ERNEST GESNER

On Sabbath evening, April 30th, a united service, in memory of Pte. Ernest Gordon Gesner, was held in the Methodist Church.

Pte. Gesner is the third from Granville who has laid down his life in defence of righteousness, "somewhere in France."

On the wall, for the first time, having the Circuit Honor Roll, bearing nine names, first amongst them being that of Gesner, who enlisted in 1914.

On the platform with the pastor, were Rev. C. W. Nelsh, (Anglican Rector), Ptes. McWilliam and Russell of the 219th Battalion, both Baptist pastors prior to enlistment. Mr. McWilliam offered prayer and the lessons were read by Messrs Nelsh and Russell.

Addresses were delivered by the pastor and Mr. Nelsh. The latter directed attention very impressively to the close parallel between the life of the Christian and of the soldier, each being essentially a life of self sacrifice.

Mr. Indoe described the beautiful green cemetery surrounded by trees and marked crosses, in which awaited the resurrection the clay tenements once occupied by Ernest Gesner and other members of the 26th as he had been permitted to see it through the eyes of Chaplain Stuart who, there read the burial service. Both speakers tendered the sympathy of the community to the mourners, assuring them that God will not forget that not in vain have they given of their best.

Both urged upon all the necessity for living the Christian life as the best contribution to that enterprise to which Canadian soldiers are yielding even themselves. About forty members of the 219th Battalion occupied the front seats and forms had to be brought in to accommodate the large congregation. Flag and flowers around the desk bespoke the courage and the hope of the Christian soldiers.

TOWN OF ANNAPOLIS ENCOURAGES SHIPBUILDING

(Annapolis Spectator)
A special meeting of the Town Council was held in the Town office on Tuesday, April 25th, for the purpose of considering correspondence from F. W. Pickels, re shipbuilding on Bay View Island.

A letter from Mr. Pickels was read asking the Town to agree to the following concessions, viz: Extension of water service, laying four inch main to point in road leading to Bay View Island, erecting a hydrant at such point on street line.

The use of water as long as they require it at a reasonable fixed rate at amount not exceeding \$20.

Fire Hose.—To be allowed the use of fire hose at such time as vessels require to be watered before launching.

To extend electric light line.

To allow he present assessment on that portion of Bay View now owned by him to remain as at present.

After some discussion it was moved and seconded that the concessions asked by Mr. Pickels be granted, work to commence immediately on water and light.

OVERSEAS UNIVERSITIES COMPANY, C. E. F. REINFORCEMENTS FOR THE PRINCESS PATRICIA'S CANADIAN LIGHT INFANTRY

Canadians, of whatever nationality, thrill as they recall the wonderful record made by the Princess Patricia's Canadian Light Infantry at Festubert, at Ypres, and many other battlefields in Belgium; how, in the face of overwhelming odds, they held their positions by their courage, steadiness and dogged perseverance.

For nearly a year the P. P. C. L. I. (as the Princess Patricia's Canadian Light Infantry is known in Military Circles) has been reinforced by a steady flow of recruits of the very finest of our Canadian manhood. These recruits, many now veterans, are determined that this fine Battalion shall not lose its high record, but with their help shall have added honor and prestige in the future.

The reinforcements have been drawn from all over Canada, and the Universities of Canada have made this Battalion their care. Already 1350 officers and men have gone forward under the title of the Universities Companies and are doing their "bit" at the front or at Shorncliffe. Five Universities Companies have left Canada.

The number of men volunteering from the West has been simply wonderful. So much so, that the authorities of the Western Canadian Universities decided to send overseas a Battalion composed of students of the Western Universities and members of the teaching staff. This Battalion is now recruiting and is called the 196th Western Universities Battalion, C. E. F.

The object of the Western Universities Battalion and of the Universities Companies is the same in that it provides a means for men to get to the front in congenial company, but though their paths are parallel, they are not identical in this respect. The Western Universities Battalion is for Overseas Service as a Battalion, and the Universities Companies are reinforcing the Princess Patricia's Canadian Light Infantry.

The P. P. C. L. I. is now composed of men from the Universities Companies and the steady flow of reinforcements for this Battalion must not be allowed to stop, and further the standard of the recruits must always be the "best that Canada can offer."

There are always men of the University type whose hearts grow warm as they read and hear the name of the Princess Patricia's, for they have brothers, relatives and friends in it, and they wish they could have an opportunity of joining it. To these men the news that a Sixth Company is being recruited under Major McKergow, at McGill University in Montreal, will be welcome.

The Sixth Company is in comfortable quarters at McGill University and has all the advantages of the use of the McGill Campus and the University Building, including the McGill Students Union.

The Universities Companies have been almost overwhelmed with the hospitality of the residents of Montreal and its suburbs.

The training of the Companies has been of an exceptionally efficient character, and has been of a nature to develop specialists, some at Musketry, others at Signalling, others at Tactical Exercises, and again others in Physical Training, Bayonet Fighting and Bombing.

The great advantage of these Companies is that men of the same social status go forward together, and join a Battalion in which they will find a large number of congenial spirits. Another advantage is the rapidity with which they go forward to the front. The training in Montreal usually takes about three months, and after two months further training in England they take their place in the firing line without unnecessary delay. The reason for this is the fact that these Companies reinforce a Battalion already at the front.

A considerable number of the men who have joined the Universities Companies have, upon reaching England, obtained commissions in the British and Canadian units. It is, of course, impossible to make any guarantee, as to promotion of this character, but the nature of the training received and the reputation of the Universities Companies make the chances of promotion excellent for the type of men that the Universities Companies accept.

Intending recruits are examined locally by an Army Medical Officer, receive their transportation to Montreal, and immediately obtain their uniform and start their training without delay. Readers are invited to make known to their friends this opportunity. The Officer Commanding, 6th O. S. Universities Company, McGill University, Montreal, will be glad to supply any further information that may be required.

Dear Sirs,
We have used Brandram's B. B. Genuine White Lead—after a careful test of all other white leads—both foreign and domestic—and we use it exclusively in our work. For the essential quality of Body—opacity and spreading evenly—securing uniform results by liquid vehicles—retaining its colour—it has reached a point where nothing better could be made.

Yours, faithfully,

HYMENEAL SMITH—HOFFMAN

On Tuesday, May 2nd, at twelve o'clock noon, Miss Gladys M. Hoffman of Middleton, N. S., became the bride of Mr. Roy Clayton Smith, eldest son of Mr. and Mrs. Allison Smith of Margaretville, N. S. About fifty guests assembled to witness the ceremony, which was that of the Methodist Episcopal Church, Rev. J. N. Ritcey of the Victoria Methodist Church, officiating while the wedding march was being rendered by Miss Ruth Jackson of Bridgetown. The bride, who was unattended entered the room with her father, Mr. Major P. Hoffman, who gave her away. Her gown was of ivory crepe-de-chine over white chiffon and was artistically designed with a draped bodice of filmy lace over white satin. Her veil which was charmingly arranged in Juliet cap effect was caught back with tiny rosebuds and orange blossoms and fell in graceful folds to her feet. A wide and unusually beautiful arch, composed of fragrant mayflowers and delicate ferns, made a most attractive background and furnished a pleasing note of color to the scene.

Immediately after the ceremony a dainty wedding breakfast was served and Mr. and Mrs. Smith, followed by showers of confetti and good wishes, took the afternoon express for a short wedding tour which will include Halifax, Sydney and other points. The bride's going-away gown was of midnight blue serge with satin blouse in light shade. Her hat was of black silk straw, faced with coral satin and simply trimmed with wings of the same color.
