

* * * * *

The GROWING NATION, may it prove—DOMINION
OF THE GOOD!

And ever stand, in coming years, where
BRITAIN always stood—

The foremost in the cause of right! upholder of
the truth!

The nation which, in growth of years, grows in the
strength of youth!

Then we may cry, with hopeful voice, unto the
heavenly powers,

For blessings on our Native Land—"THIS
CANADA OF OURS!"
