

4. No person shall take, catch, or kill in any of the waters of this Province, in one day by angling, or shall carry away, a greater number of speckled or brook trout than in the aggregate shall weigh more than fifteen pounds, and no greater number than fifty speckled or brook trout, though said number weighs less than fifteen pounds.

5. No bass less than ten inches in length, no speckled trout less than six inches in length, no pickerel less than twelve inches in length, and no muskellunge less than fifteen inches in length shall be retained or kept out of the water, sold, offered or exposed for sale or had in possession; but every person who takes or catches any of the fish mentioned of less than the minimum measurement named (which measurement shall be from point of nose to centre of tail) shall immediately return such undersized fish to the water from which they were taken, alive, and, in so far as possible, uninjured.

6. No non-resident, tourist or summer visitor, shall take, catch or kill in any one day, by angling in the inland lakes of this Province, or shall carry away, a greater number than ten lake trout, any one of which shall exceed three pounds in weight; nor, in the alternative, a greater number of lake trout of a less weight than three pounds each, than in the aggregate shall weigh more than twenty pounds: Provided, that nothing in this section shall apply to limit the quantity of lake trout (other than speckled or brook trout) to be taken by angling from any inland lake in this Province by a bona fide settler residing within five miles of the lake from which such fish are taken for the domestic use of himself and family.

7. Subject to the condition contained in the preceding section, no person shall by any means whatever take, catch or kill, or shall buy, sell or offer or expose for sale, or have in possession any salmon trout, lake trout or whitefish weighing less than two pounds in the round or undressed, or which when dressed weighs less than one pound and three-quarters, or any sturgeon of less than ten pounds in weight.

8. The words "non-resident, tourist or summer visitor," when and where used in these regulations, shall include any and all persons who may during the spring, summer or autumn months be temporarily visiting, boarding, lodging or domiciled in any locality at a distance of over five miles from his or their usual place of residence at other times of the year.

9. Any person or persons violating any of the above regulations shall be liable to the fines and penalties provided by the Fisheries Act, R.S.O., Cap. 288, and amending Acts.

A. S. HARDY,
Commissioner of Fisheries.

An annual gun and rod license is now in order. Such a regulation would be a benefit to farmer and sportsman alike.

The National Cream Separator

MANUFACTURED BY
THE RAYMOND MANUFACTURING CO.
LIMITED
GUELPH, ONTARIO

Style No. 1.
Capacity—330 to
350 lbs. per hour.
Price, \$75.00

A wise investment that progressive farmers are buying as they buy other useful machinery. The National will yield from $\frac{1}{4}$ to $1\frac{1}{4}$ lbs. of butter per week per cow more than is being done by the old laborious wasteful methods of skimming milk. One pound of butter per week from one cow for 9 months, at 15c. per lb., will pay 8 per cent. interest on the cost price of the National. Easy to run by boys 8 to 12 years old. Easy to clean. Simple to operate. The neatest in style and finish. A perfect skimmer. Guaranteed as represented, and a trial for one week given to intending buyers. If not satisfactory, may be returned to us at our expense. No risk. Sold on their merits. Send for tenimonials and Catalogue.
