

PROF. SPINNEY

PROPRIETOR OF THE

ELECTRO-MEDICAL INSTITUTE,

takes this opportunity of returning his sincere thanks to the inhabitants of Montreal and its vicinity for the very great support he has received, and to inform them, that on account of his immense practice, and at the earnest request of a large number of his patients, it is his intention to remain in Montreal, for which purpose he has taken the elegant suite of Offices, No.

181 GREAT ST. JAMES STREET, MONTREAL.

The annexed are a few of the many letters received, and therefore he ventures to hope that no one can doubt as to the great value of his premonitory method of treatment. See advertisements, bills and books.

To the Editor of the *EVENING TELEGRAPH* :

Montreal, Feb. 6th, 1866.

SIR,—I should feel very much obliged if you would please insert this letter in your valuable columns, as I consider it a duty incumbent on me, in fact it is a duty I owe to my fellow sufferers to make known the following truths, viz: That I had suffered for years from a severe Spasmodic Asthma, and such has been my sufferings that I could not get any rest by night or day; for years I suffered in this way, and tried many of the physicians of Montreal without obtaining any relief whatever, and as a last resource (for life is sweet) I was advised to place myself under the treatment of Professor A. B. Spinney, of 181 Great St. James Street, of this city. Wonderful as it may appear, (and it is with heartfelt gratitude I acknowledge it,) I had not been under the Professor's treatment a fortnight, when I found myself so much better that I not only sleep well, but am perfectly able to attend to my business without suffering, which I had not been able to do for years. And I feel perfectly convinced that (God willing) under his treatment I shall have restored to me that inestimable blessing perfect health, and I honestly advise all who suffer to consult Professor Spinney, to whom I tender my heartfelt gratitude.

I am, sir, your obedient servant,

L. N. A. RICHOT,

Of the firm of Malo & Richot, Merchant Tailors, 258 Notre Dame Street, Montreal.

For Dizziness in the Head, Consult Prof. Spinney.

To PROFESSOR SPINNEY :

Montreal, Feb. 15, 1866.

DEAR SIR: Allow me to return you my sincere thanks for the very great benefit I have received under your treatment (after having tried many of the medical men here without obtaining any relief whatever.) Yes, doctor, for seventeen years I suffered from a severe pain in my left side, together with a most painful and troublesome cough, and when I called upon you I was suffering from ulceration of the left lung, and I therefore beg to say for the benefit of all who suffer, that after having been under your treatment less than ten days, the pain in my side had quite left me, and now I am happy to say that after two months I am quite well, and that my lungs are as sound as they ever were. Please therefore accept my own and my family's sincere thanks.

I remain, dear doctor, your obedient servant,

JAMES HERBERT,

(At Messrs. Gillespie, Moffatt & Co.'s, St. Paul Street, Montreal.)

FOR PALPITATION OF THE HEART, WITH PAINS IN THE SIDE, CONSULT PROF. SPINNEY.

To the Editor of the *EVENING TELEGRAPH* :

Montreal, February 25, 1866.

SIR,—Will you kindly insert this letter in your very excellent paper, for the benefit of all who may suffer from the same diseases I had for the last three years, viz: severe disease of the liver, indigestion, dizziness in the head, constant pain in the back and side, together with general lassitude. I tried many medical men here, and all to no purpose. I had suffered fearfully; in fact had become a misery to myself. Now, sir, I am delighted to say, that I was fortunate enough to place myself under the treatment of Professor Spinney; and I candidly acknowledge that after seven weeks' treatment, I am a new man, enjoying good health and spirits. Any one is at perfect liberty to call upon me, and I shall be happy to confirm verbally what I have written here. So tendering the Doctor my very sincere thanks publicly, and hoping you will publish this letter, I remain, sir, yours very truly,

WILLIAM DELPHY, Tinsmith.

For Rheumatic Pains in the Limbs, Consult Prof. Spinney.

Prof. S. has the Magnetic Apparatus for the examination of

CHEST AND LUNG DISEASES.
