

The Canadian Printer.

THE
Montreal Type Foundry,

1 ST. HELEN ST., MONTREAL.

PRINTERS' WAREHOUSE,

33 COLBORNE ST., TORONTO.

C. T. PALSGRAVE, Proprietor.

OUTFITS for printing offices supplied with prompt despatch, and at a cheaper rate than anywhere on the continent.

Estimates for news and job offices in detail cheerfully furnished.

United States Fancy Type and Wood Letter sold at current rates.

LABOUR-SAVING METAL FURNITURE.—A most desirable and convenient article for a printing office. The pieces are cast in a mould, and are finished with the strictest regard to accuracy, so that the printer who takes pride in the perfection of his work may rely upon them as a most serviceable auxiliary. This article is equally valuable as furniture for the imposition of forms, posters and colour-printing. The smallest fount weighs 50 pounds—20c. per lb. For sale by
C. T. PALSGRAVE,
Montreal and Toronto.

LABOUR-SAVING BRASS RULE.—This admirable rule is cut accurately of various lengths, differing an en and em piece, and will be found of vast utility in table or job work, rendering the use of shears and file entirely unnecessary. Mitred corners are furnished with every fount. We make it as single, double, parallel and dotted, of various faces. Every piece is marked with the number ems it measures, so that it cannot get mixed with ordinary scrap rule. Cases are furnished specially adapted to fit. For sale by
C. T. PALSGRAVE,
Montreal and Toronto.

ELECTROTYPING—By the New Patent Process, of Books, Music, Wood-cuts, Jobs, and News Headings, at reduced rates.

ROLLER COMPOSITION—Of a superior quality, recasts readily, and is easily prepared. 35c. per lb.

ZINC GALLEYS—A new article, as lasting as brass, and at half the price:—

Single column, lined	\$1 75
Double " "	2 00
Law case, " "	2 25
Quarto, " "	2 00
Large Quarto, " "	2 25

THE AMERICAN PRINTER.—A manual of typography, containing complete instructions for beginners as well as practical directions for managing every department of a printing office, with several useful tables, numerous schemes for imposing forms, hints to authors, etc. By Thomas MacKellar. Price, \$1 25. For sale by

C. T. PALSGRAVE,
Montreal and Toronto.

LEAD-CUTTERS—Of a new and improved pattern. Cannot be put out of order. Price, \$4 00. For sale by

C. T. PALSGRAVE,
Montreal and Toronto.

CHEAP WOOD TYPE.—W. H. Page & Co.'s superior wood type has sustained for the past fifteen years an universal reputation for beauty, truth and durability. It far surpasses the stuff imported from England—where it is largely used, notwithstanding the great difference in rates—the bulk of which is cut on sycamore, which neither has the durability nor allows of the finish to be attained in maple. A large reduction has been made off price list. Prices on application.

C. T. PALSGRAVE,
Montreal and Toronto.

NEW PUBLICATIONS.—THE PRINTERS' PRICE LIST; by Theo. I. DeVenne. This is a new edition enlarged and improved, a very useful and comprehensive work, which will be found invaluable to the master printer. Price, \$5 00.

HAREL'S TYPOGRAPH, or, Book of Specimens. A valuable volume of fresh and practical ideas, and real examples of letterpress printing. Should be in the hands of every printer. This book contains upwards of 300 pages of text and printing, handsomely done from type forms. The paper used is of the finest quality, and the *tout ensemble* is excellent. Price, \$6 00.
