

SUMMARY OF NEWS.

We learn that when the late incendiary outrages committed upon the Odelltown frontier were made known to Sir RICHARD JACKSON, His Excellency immediately transmitted to Lieutenant Colonel Taylor an order for £10, to be given as a private donation to Wm. Gibson, the person who, it may be remembered, was reduced to positive destitution by the destruction of his barn, crops, and cattle. This timely gift was received with tears of gratitude by the unfortunate individual upon whom it was bestowed. Such liberality on the part of His Excellency, manifesting as it does a lively interest on behalf of the sufferers, cannot fail to have a most beneficial effect.—*Courier*.

SIR CHARLES BAGOT, Governor General of Canada, has at last arrived at New York, and may shortly be expected to arrive in the Province, although rumour speaks of his Excellency being first to make a visit to Washington. The New York Commercial Advertiser of the 30th ult. thus notices his arrival:—

ARRIVAL OF H.M. SHIP ILLUSTRIOUS.

We have the pleasure of announcing to our readers in Canada the arrival of Sir Charles Bagot, their new Governor General. The *Illustrious* 74, having his Excellency and suite on board, anchored off the quarantine ground this morning.—*Transcript*.

The Kingston papers of Saturday say nothing of the arrival of Sir Charles Bagot, who left New-York on Tuesday, after having been entertained at a magnificent *dejeuner a la fourchette*, by H. M. Consul, Mr. Buchanan, on Monday morning. Sir Charles, who has had bad luck ever since he started, does not yet seem to be released from his troubles. He was prevented by the weather from leaving New York on Monday evening.—*Com. Messenger*.

QUEEN'S COLLEGE, KINGSTON.—We perceive that the Rev. Dr. Liddell, Principal of Queen's College, has arrived at Kingston.—The last *Albion* has the following:—“We have been favoured with a sight of a set of plans drawn for this building, beautifully executed; they are designs by Mr. Charles H. Mountain, who intends to offer them for the premium promised by the Committee for the most approved plans. The design is in the old English style of architecture, presenting four fronts, which will enclose an open inner court. The building is to be executed upon an open lot of ground, three stories high, commencing upon the level of the ground. The first story is intended for offices, with the exception of a large dining hall, forming in the exterior a substantial and characteristic base; the main entrances to which are from the inner court, but the principal entrances are from the exterior. We shall be glad if these very beautiful designs are successful, in winning the prize offered, of \$200.”
