

## Permanency of Investment

If you loan your money yourself, and the loan is paid back in two or three years, you then have to hunt another investment, and if it is two or three months before it is placed again, your average percentage is reduced. By purchasing our Permanent Stock you have a better chance to keep your money invested at a profitable rate of interest as long as you wish. Shares \$100.00 each; the issue is limited. Write for particulars.
