THE GREAT RISE IN WALL STREET.

The "Investor's Guide" exhibits the various methods, in their successful stock operations, of the magnates of the Stock Exchange. Sent free with official reports of the market. Address T. POTTER WIGHT & CO., 35 Wall street, New York.

REPUDIATION.

Montreal as a city never can, or at least never should expect permanent prosperity until she pays the \$10,000 she owes to the sufferers by the fire at St. Johns. Any person who has observed the effect of the action and re-action on men's transactions will know this. The refusal to pay this debt, or to fulfil the promise, is a blot on the city, and must be wiped out.

Just what may be expected from a city where most of the leading business men have encouraged and even used a system of not only deception but downright fraud for years. What greater fraud can there be than for men facing these misreporting American Agents and having themselves rated to be worth large capitals just to enable them to get the money of bank shareholders under false pretences? well knowing that they had been insolvent for years.
