**The Andover Review**

On the whole the *Andover Review* is demonstrating its *raison d'être*, and deserves to be, as it is, the most popular religious review in America to-day.—*The Religious Herald* (Cong.).

The *Andover Review* well sustains the reputation generally accorded to it amongst our neighbours; the most valuable theological magazine published on this continent.—*The Week* (Toronto, Canada).

The *Andover Review*, an American religious and theological monthly which deserves attention and welcome on this side the Atlantic.—*The Christian World* (London).

**THE ANDOVER REVIEW**

**FOR 1886.**

The success which has attended the publication of the ANDOVER REVIEW for the past two years has led to its establishment upon a permanent financial basis. Commencing the year 1886 with increased resources, the REVIEW will be enlarged with each monthly issue to 112 pages, making an aggregate for the year of 1,344 pages, and the annual price of subscription will be \$4.00; single copies, 35 cents. *Until January 1 subscriptions will be received at the present rate, \$3.00.*

THE ANDOVER REVIEW is a Religious and Theological Monthly, advocating the principles and methods of what is now known as Progressive Orthodoxy, but its discussions are not confined to the field of Theology. It is already recognized "as a strong expounder of the social questions of the day, promising a future of great influence." In future, articles upon Sociology will be supplemented by a department of Sociological Notes under the charge of the Rev. S. W. Dike.

A Geographical and Missionary Department will also be added, under the care of Rev. C. C. Starbuck.

Educational discussions will be continued, notably that introduced by Professor Palmer, of Harvard, in the November number.

The Moral Aspects of Literary Topics will be considered in special papers.

A series of articles upon Church Architecture, by Professor Churchill, will begin in an early number.

The Editorial and other departments will be conducted as heretofore, with increased attention to Book Reviews.

N.B.—After Jan. 1, 1886, the price of the REVIEW will be \$4.00. Until that date subscriptions will be received at the present rate, \$3.00, from old and new subscribers.

**COLONIAL EXHIBITION**

**LONDON, ENGLAND, 1886.**

**FIFTY-FOUR THOUSAND FEET RESERVED FOR CANADA.**

First Royal Exhibition Commission Since 1862.

THE COLONIAL AND INDIAN EXHIBITION, to be held in LONDON, ENGLAND, commencing MAY 1st, 1886, is intended to be on a scale of great magnitude, having for object to mark an epoch in the relations of all the parts of the British Empire with each other.

In order to give becoming significance to the event, a Royal Commission is issued for the holding of this Exhibition, for the first time since 1862, and His Royal Highness the Prince of Wales has been appointed President by Her Majesty.

The very large space of 54,000 square feet has been allotted to the Dominion of Canada by command of the President, His Royal Highness.

This Exhibition is to be purely Colonial and Indian, and no competition from the United Kingdom or from foreign nations will be permitted, the object being to exhibit to the world at large what the Colonies can do.

The grandest opportunity ever offered to Canada is thus afforded to show the distinguished place she occupies, by the progress she has made in *Agriculture*, in *Horticulture*, in the *Industrial and Fine Arts* in the *Manufacturing Industries*, in the *Newest Improvements in Manufacturing Machinery and Implements*, in *Public Works by Models and Designs*; also in an adequate display of her vast resources in the *Fisheries*, and in *Forest and Mineral wealth*, and also in *Shipping*.

All Canadians of all parties and classes are invited to come forward and vie with each other in endeavouring on this great occasion to put Canada in her true place as the premier colony of the British Empire, and to establish her proper position before the world.

Every farmer, every producer, and every manufacturer, has interest in assisting, it having been already demonstrated that extension of trade always follows such efforts.

By order,
