A BRIDE'S CONFESSION
 "Yes, dear, I am married, now, and George and I are keeping house in the loveliest flat on 64th St. Well, yes, we did get married somewhat suddenly. My health, you know, had for some time been very delicate, and Dr. Heavy-foot told mamma that he feared I would follow poor, dear sister Belle, who died three years ago from a wasting disease. Dear George was almost crazy when mamma told him what the doctor said, and I nearly cried my eyes out, but one day I overheard that 'hateful Nolly Parker' say to her mother, 'I think that George Blauvelt is just too lovely for anything, and when the girl he's engaged to dies, and they say she is dying of a galloping consumption, I'm going to step into her shoes and become Mrs. George Blauvelt; now just you wait and see.' This spring I noticed George hummed as to the wonderful investigating effect of DR. CAMPBELL'S ARSENIO WAFERS, and I resolved to try what they would do for me. I commenced their use on the 4th of July. George had just sailed for Europe on business for his firm. On Sept. 18 he returned, I was, from the use of the Wafers, by that time again, a well woman, and so untrapped was he with my healthy and robust appearance that he insisted we get married the very next day. I could not say him nay, and, as you will see by my card, I am now Mrs. George Blauvelt. Do call soon and let me introduce George to you; I am sure you will like him, he is so handsome, and as good as he is handsome. Good-by; be sure not to forget."
THE DEY OF ALGIERS!
 The SHAH OF PERSIA and the SULTANS OF TURKEY and MOROCCO now FATTEN and BEAUTIFY their harems exclusively on DR. CAMPBELL'S ARSENIO COMPLEXION WAFERS. So great is the demand for these marvellous Wafers that their manufacture is continued day and night.
 "The Shah found his harem in a state of disorder on his return to Persia."—N. Y. World, Oct. 12, 1889.
 Reason—"Their supply of CAMPBELL'S WAFERS was exhausted."
 ILLUSTRATIVE of the desirability of a certain amount of Phosphorus, rumour has it that the distinguished Oriental Potentates make it a practice to weigh their wives regularly once a month, precedence in rank and imperial favour being accorded to the wife possessed of the greatest number of pounds avoirdupois.

TYPHOID FEVER.

Its Cause and Prevention.
 During typhoid Bacteria is found in the blood and mucous tissues, comes by inhalation. Impure water contains animalcules. These disease germs develop in the system, feed on the fluids and vitals, causing disease, fevers, etc., and quickly destroy the patient. Flood the arteries with St. Leon Water.
 Says Sir Henry Thompson:—"No animalcule or germinal matter can live if this rare mineral water is used."
 Popular Hygiene adds:—"In cases of typhoid fever let us have recourse to St. Leon. This water is doubly salutary to keep down and remove putridness."
