POWER EMERGENCIES

Vancouver was recently visited by a severe electrical storm, a bolt striking the high tension wires to the city. **Within ten minutes** light and power was being supplied to the city, although the storm was still at its height.

This effect was the result of farsightedness on the part of this company in maintaining duplicate lines, anti-lightning and other safety devices.

We wonder sometimes whether you fully appreciate what a wonderful clothes service we render. We offer you the cream of Canada's best Clothes at what other stores ask for much inferior clothing.

Take This \$22.50 Suit for instance:

—it could'nt look smarter—or fit better. It's cut to the latest style and it will retain its shape. Sizes to fit the stout, thin, tall or short.
