CANADIAN INVESTMENT ABROAD

In view of increasing interest on the part of Canadian companies actively seeking to invest abroad, the Department has produced a summary paper outlining some of the programs, both Canadian and multilateral, which can be of assistance at virtually every stage of the investment process.

The paper describes among others, programs available from the Canadian International Development Agency (CIDA), the International Finance Corp. (IFC), the Export Development Corp. (EDC) and the Multilateral Investment Guarantee Agency (MIGA).

Canadian companies can obtain this document by calling Info Export hot line at 1-800-267-8376.
