PERSONS IN SPECIAL POSITIONS TO A MINISTER 1963-68 WHO HAVE MOVED TO OTHER POSITIONS

Question No. 525—**Mr. Dinsdale:**

What were the names of all persons who held the position of executive assistant, special assistant, private secretary, consultant and/or advisor, or any other special capacity to a Minister since the commencement of the 26th Parliament in 1963, and the end of the 27th Parliament in 1968, who have moved from that position to the Public Service or to Governor in Council appointments and, in each case (a) to what position did they move (b) at what salary?

Hon. Mitchell Sharp (President of the Privy Council): The government does not maintain records which would enable it to trace the subsequent careers of those who at one time served ministers in the capacities listed. In order to answer this question, it would be necessary to review the personal files of every individual employed in the Public Service of Canada. In view of the workload involved, the government does not feel justified in undertaking such a review. See also reply to Question No. 159 answered this day.
