

"Makes a July day short as December."

Dominion Hymn

LORD of the world, we own Thy sway,
Our eyes are looking up to Thee
To guide and bless us day by day
Through time—to all eternity.
Thy chosen people, by Thee blest,
Be this to us the promised land,
From glowing east to ruddy west;
Firm in Thy strength, Lord, may we stand.

Teach Thou our rulers wisdom's path;
Be this Dominion free from shame;
O may we ne'er provoke Thy wrath,
But all our people own Thy name.
United in one mighty plan,
One hope, one heaven, one brotherhood,
With love to God, and love to man,
Together all things work for good.
