Tanner & Gates Yonge Street, and half an hour's ride from King and Yonge Streets. If you realize that the populated part of Toronto runs almost 12 miles East and West and only about 2 1-2 miles north, you cannot get away from the fact that the natural course of growth from now on must be North. Eglinton Avenue is less than four miles north from the Lake. From the standpoint of health, altitude and short distance from heart of City, the best residential district North must be on the Hill. Many authorities are already prophesying that within three to five years this property will be worth from \$100 to \$125 per foot. You can buy Highbourne Park to-day for about one-quarter of that price. Let us tell you about it—it will pay you.
