OTTAWA, May 13.—Business is being hustled through Parliament with almost feverish rapidity. What cannot be hustled through is being shelved or dropped. It was expected that the session would close at the end of the week, but it is believed that, even by dint of rushing tactics and of sessions.

"We have learned from the war the necessity of reading, testing, believing and obeying the Bible for ourselves." When we do this, we need have no fear for ourselves." In these words, Dr. W. H. Griffith Thomas of Wycliffe College brought to a close a masterly address

Against Russellism. Against Russellism.

Assigned subjects in connection with prophecy and the Lord's return as his part in the conference, Dr. James M. Gray, deam of the Moody Institute, Chicago, spoke yesterday afternoon on "The Regathering of Israel." First, he took occasion to entirely disassociate himself and the conference with Russellism, Millenial Dawnism or the International Bible Students' Association. "I am about as far as possible from that," he said, adding that in the last ten or tweive years he had protested with voice and pen as much, if not more, than amy other Bible teacher in the United States against the teachings of Russellism. Wherever he had gone to hold or participate in prophetic conferences, invariably the leaders of Russellism, Millenial Dawnism or International Bible Students had followed him to overwing other conferences done in this vicinity by the recent frosts.
