

ATTRACTIVE SPORTS PROGRAM ARRANGED BY THE HUNT CLUB

Tennis, Golf, Bridge and Dancing Among Events on Monday's Card.

Everything possible has been done to make the big Red Cross drive of the London Hunt and Country Club a success. One of the most complete sporting programs that has ever been put on by that club will be enjoyed by its members on Thanksgiving Day. A charge is made for each contestant in every event. In the golf items the fee will be \$1 or more, with the exception of the approaching and putting competition, entrance into which can be made for 25 cents.

The whole proceeds of the affair will go to the Red Cross. The local branch of the Canadian Red Cross. Although a substantial sum will be obtained from club members who compete in the various events, a large portion of the total will be made up of individual subscriptions. A prize for the club having the largest amount for the Red Cross, in proportion to its membership, will be given by the Royal Canadian Golf Association. If the local club fails to grab the award, it will only be by a small margin, judging by the extensive preparations made to secure a magnificent sum.

The program will provide for every member and non-member of the club wishing to attend. Those whose contestants do not lean toward golf may play tennis, and those not wishing to play either of these games may take part in an afternoon of bridge. The day will come to a suitable ending with a dance, admission for which will be \$1.

The men's program follows:
9:30 a.m. to 12:30 p.m.—Mixed four-gone (two-ball) handicap. Entrance fee, \$1. First prize, half-dozen balls; second prize, three balls; third prize, one ball.
12:30 p.m. to 4:30 p.m.—Mixed four-gone (two-ball) handicap. Entrance fee, \$1. First prize, half-dozen balls; second prize, three balls; third prize, one ball.

7 p.m. to 9 p.m.—Driving competition. Entrance fee, 25 cents. This will be in the form of a handicap, a man being allowed a yard for every stroke in his club handicap for each drive. First prize, a club or golf balls; second prize, four balls; third prize, one ball.

Ladies' Program.
9:30 a.m. to 12:30 p.m.—Mixed four-gone (two-ball) handicap. First prize, half-dozen balls; second prize, three balls; third prize, one ball.

Tennis will be played by the younger members of the club all afternoon. The hunt committee has arrangements under way to have Sir Adam Beck give an exhibition of jumping with some of his recent prize-winners. The sports committee comprises: H. F. Skey, chairman; J. G. Boucher, for tennis; E. S. Little, to look after house arrangements; T. Baker, to look after the dance; and Dr. A. Scott, to direct the golf events.

STRONG COLLEGIATE TEAM LINES UP AGAINST ST. THOMAS TODAY

Exhibition Match at Tecumseh Park This Afternoon Promises To Be Fast One—Captain Ernest Dennis on Sick List.

Final signal practices for their exhibition match with St. Thomas this afternoon were carried out by the collegiate football team at the school grounds last evening. Last-minute casualties threatened to weaken the team considerably. However, Bryant, who suffered from a severe thumb-sprain, is back in the line-up. Capt. Ernest Dennis is out of the game for some weeks. Dennis has all the symptoms of the celebrated "flu." He is convalescing at his home and will not be on deck again to lead his men on the gridiron for a month or more.

"Dunc" McLean, the speedy half-back of the collegiate aggregation, will call the signals. Lauson has been placed at quarterback. This boy is too light for the line, but his tackling ability earns him the position of official pigskin feeder to the line and halfbacks. The outing will be attended to by Weld, Gillies and McLean. The fourteen is probably the heaviest that has yet represented the local high school on the gridiron. With MacPherson and McCormick taking care of the inside wings, enough weight to shatter the Railway City combination will fill these important positions. The fixture is scheduled to begin at 4 o'clock at Tecumseh Park. The locals look for an easy victory, in view of the unusual strength of the team. Lane, the St. Thomas baby elephant, will likely be the hardest man for the London boys to cope with. Lane accounted for the majority of points scored by St. Thomas last year, and

Knocks Niagara Camp Team Out of Openers.

TORONTO, Oct. 10.—The senior O. R. F. U. is up against it again. Today comes the announcement that the Niagara camp team will be unable to play Beaches in Hamilton on Thanksgiving as scheduled because the camp is under quarantine.
