

FROM A CHILD  
WAS CONSTIPATED

According to the best medical authorities, fully three-fourths of the people of the civilized world suffer in some form from constipation. There is no doubt that many distressing diseases are caused by constipation. It gives rise to sick and bilious headaches, jaundice, heartburn, floating specks before the eyes, catarrh of the stomach, biliousness and the painful, troublesome piles. Therefore, it is of supreme importance to health that the bowels be kept regular. Simple food, fruit, etc., should be used, and rich food and stimulants of all kinds avoided. This, with the use of Milburn's Laxa-Liver Pills to regulate and establish healthy action of the bowels cannot fail to give permanent relief in the most obstinate cases.

Mrs. Letitia Wainman, Orillia, Ont., writes: "From a child I was always very badly constipated, and I can well remember when quite young my mother giving me some tea nearly every morning, and I got to dread it. After taking Milburn's Laxa-Liver Pills for a while I am not troubled with constipation any more."

Milburn's Laxa-Liver Pills are 50c a vial, at all dealers, or mailed direct on receipt of price by The T. Milburn Company, Limited, Toronto, Ont.

Whether he has a tapeworm. His doctor can tell by finding tapeworm eggs by microscopic tests (or a laboratory pathologist can tell that way). The combination of a big appetite and a spare frame, said as it may seem to the old ladies and the long-distance specialists, seldom if ever occurs in an individual who really harbors a tapeworm. All the tapeworms he can recall offhand were persons of ordinary appetite and ordinary or excessive weight. I repeat, there are no symptoms which warrant diagnosis of worm infestation, save the finding of parts of worms or entire worms or their eggs.
