A quintette of prisoners on drunkenness charge faced Judge Ritchie in the police court this morning. Three pleaded guilty and were fined \$8 or thirty days jail. The other two were remanded.

The commissioners of the provincial hospital met this morning in the government rooms, Church street. All the members were present. Routine business was transacted. The commissioners will visit the hospital buildings this afternoon.

A special excursion train came in from Sussex this morning with a large number of picnickers on board, mostly members of the Methodist church. They went out to Rockwood Park this morning, and will spend most of the day there, returning home this evening.

The argument in the Grand Falls Power case was continued this morning by F. S. Taylor for the Van Hornes interests. He took the entire morning and resumed again at 2:30 this afternoon. He will probably finish during the afternoon, and will be followed by H. A. Powell, K. C., for the Grand Falls Power Company.

Donaldson line steamship Oethia, Captain Brown, arrived last night from Glasgow, and docked this morning at the C. R. wharf, where she will discharge her large freight. Among her cargo there are 25,774 bags and 822 tons of Scotch hard coal; also, 2781 bags and 319 barrels of sugar. The steamer had a good trip to this port.

ASK SUBSIDY FOR THE AMELIA

A delegation consisting of W. H. Thorne, R. B. Emerson, P. N. Harvey and Ald. Elkin met the members of the local government this morning and asked for a subsidy for the steamer Amelia on the South Shore route. They explained the benefit of the service to St. John merchants. No amount was mentioned. It is said the government were favorably impressed and promised sympathetic consideration.

A special train will leave St. John depot at 7 o'clock in the evening going as far as Rothesay and making all local stops between. It will leave Rothesay on return at 11:30 p. m.

Refreshments will be served on the grounds of the Renforth Yacht Association and a city band will provide music for dancing.

COAL DEALER IN NEW YORK, NO CHANGE HERE

Price up Ten Cents a Ton in States—What Local Dealers Say.

Anthracite coal advanced 10 cents a ton in New York yesterday and now sells at \$8.50 a ton. This price will remain in effect until April, 1910, when, a despatch says, a reduction of fifty cents a ton will be made.

Local dealers were asked by the Times yesterday as to whether or not this advance in price would make any difference in prices here and was told that there would be no immediate effect apparent. It would not affect the sale of anthracite here until the fall coal was brought, that would be about the latter part of this month when coal in large quantities is usually bought from southern markets and if there was an increase in the price in the States at that time the increase would be felt here also.

For the present hard coal is selling at \$6.20 a ton, the same as in New York and it is not thought likely that there will be any great jump in the price for a few weeks at any rate.

The reduction of fifty cents a ton as referred to is made to induce the purchase of coal in the summer months. There was a decrease in the number of people taking advantage of the lower summer prices this year.

The ten cent increase made yesterday in New York was in accordance with the monthly increase which begins annually on the first of May.

A. O. H. GADETS MAY HAVE PIPE BAND

Camp Outing Also in View—A Time of Progress Ahead.

All members of the Hibernian cadets are requested to meet in uniform in St. Malach's Hall tomorrow evening for inspection and to make arrangements for Decoration Day, Sunday, Sept. 12.

The cadets are making splendid progress in their drill since being re-organized. They have been divided into two companies for drilling purposes one company under Adjutant J. McCarthy and the other under Color-Sgt. Edwin Gladwin. Major Thos. Kichan is supervising the work among the boys.

If the attendance continues to be as large as it has been recently a number of new uniforms will be secured and an Irish pipe band organized in connection with the cadet corps.

Tomorrow evening plans will probably be discussed for a Labor Day outing. It was suggested that the boys be taken to camp at Little River or Silver Falls on Saturday and return to the city on Monday afternoon. On Sunday they could march to church at Silver Falls. This has not yet been definitely decided upon but it will probably be known at tomorrow night's meeting.

OBJECTS TO THE HEAD TAX

Italians Held Up Here by Immigration Officials.

Five Italian laborers were detained here last evening and prevented from going to Boston, as was their intention. They arrived yesterday afternoon from Nova Scotia after noon and were to go through to the United States, but were informed that they would have to pay a poll-tax of four dollars before proceeding. This arrangement was not in accordance with their plans, and although they were fairly well paid with funds, they did not wish to pay a head-tax, claiming that they had lived for more than a year in Canada, and should therefore be exempt.

They spent the night here, but were in a quandary as to what course to pursue this morning, some of them being willing and some unwilling to pay the tax. In fact, one of the quintette "hit the sleepers" for Monday this morning. The others will probably follow his example in remaining in the province to look for work.

REV. MR. APPEL NEW CHAIRMAN

Rev. J. C. B. Appel was elected chairman of the Convention of the Christian church in New Brunswick and Nova Scotia at the fifth annual convention just held in Milton, (N. S.). The attendance was the largest in the history of the church in these provinces. The chairman of the convention was the former pastor of the Christian church in Halifax, Rev. Everett Stevenson, who some months ago was called to the pastorate of the church in Milton and gave up his charge in the states upon receipt of it.

The matter of union with the Baptists was an important matter dealt with by Rev. Messrs. Fleck and Porter, appointed at the recent United Baptist convention being present to report the progress made by that body in the matter. Both gave admirable addresses. Rev. Mr. Fisher of Shelburne, was also present, although not in the capacity of an official delegate.

The convention appointed a permanent committee of twelve to confer with a similar committee representing the Baptist convention, and to appoint two delegates to represent the Christian church at the next convention of the United Baptists of these provinces.

The temperance question was also fully discussed, and a resolution affirming the attitude of the church was passed.

The Women's Board of Missions held two very interesting meetings reporting the highly gratifying result of \$1,900 for foreign mission work collected during the convention.

The sum of \$900 for the maritime mission board was also collected during the convention.

There were two addresses of unusual force by Rev. Mr. Riel, whose home is in the states, but who attended all the sessions of the convention. The officers elected for the year were: Chairman, Rev. Mr. Appel, St. John; vice-chairman, Rev. K. F. Nance, Halifax; secretary, W. A. Barnes.

Dr. Borden, principal of the Ladies' College, Sackville, accompanied by Mrs. Borden and two daughters were in Amherst on Wednesday. Dr. Borden informed the News that the outlook for a large number of students at the Mount Allison Institute on this year was excellent.

TIGER TEA

THE CABINET GLENWOOD

The Cabinet Glenwood has become very popular in the homes that have them in use and their recommendation of them has greatly increased the sale of the Cabinet in the last few months. The baking qualities of this Range are unequalled, the top and bottom flues being made in just the right proportion to carry an equal and even heat to every part of the oven. The sectional top prevents warping and is so placed that by changing the cross shape castings that hold the covers, a wash boiler may be put on the two back covers leaving the front covers for cooking. You should come and see these Cabinet Ranges whether you want to purchase or not, then you will know what can be made right here in St. John.

The New Fall Clothing For Youths and Boys is Ready

Off for College? Off for the new, real start in life—your first position? The needed clothing is ready.

Men's fall clothing is coming in, but we were most concerned to have the young men's and boys' ready. Plenty for the early man's demand is here.

Oak Hall clothing is planned, made and sold on the basis that you may well adopt for success in college or business.

It is fair clothing—as good inwardly as on the outside; so made as to withstand some abuse and still come out smiling. Consequently this clothing business is growing faster than any other in town.

But it isn't kept honest just for growth's sake—it's our idea and ideal of a store to have it give honest, straightforward service.
