ABSTRACT OF ANNUAL REPORT OF SABBATH SCHOOL.

"The year just closed has been an eventful one for the Sabbath School, as well as for the Church proper in all its varied interests. The old edifice in St. Gabriel street, although it did not furnish many facilities for carrying on Sunday School work, was associated with the training of many generations of young people in the principles of Divine Truth. Certainly, for seventy years, there had been a Sabbath School in operation in the old Church. It was, therefore, a crisis in the history of this department of our ecclesiastical agencies when it was resolved, as it was suddenly, on the 29th of August, 1886, to close the school in St. Gabriel street, and open it in the new edifice. Thus the Sunday School was, as it often has been, the pioneer of the Church, for as yet no service had been held by us in this building. Now that we are in the midst of a populous English speaking community, and have ordinary facilities for Sunday-School work, we hope to have as good a School in the future as any of the Churches in the City."

"The number on the roll for the year was 232. The number on 31st December was 181, against 167 at the close of 1885."

"One pupil, Ernest Kearns, eight years of age, had been suddenly cut down by that fell disease Diphtheria."

A Silver Medal is offered by Mr. W. Bennet for the most perfect recitation of the Shorter Catechism at the end of the year.

A Silver Medal is also offered by Mr. Thos. McIntosh, for the best written examination on the Bible Lessons for the year 1887.

A Silver Medal will also be given by Mr. W. C. Patton to the pupil that brings the largest number of new scholars to the school during the year 1887.
