WANT POLICEMAN TO CHECK SPEEDERS

Movement On Foot To Meet Menace At Manawagonish Road

For some time residents of Manawagonish road have been complaining about automobiles speeding along past the residential section from the head of Main street to Moore's hill, but no action resulted and now there is a movement on foot to have the warden of the county council place a policeman there to see that the law is enforced. During the last week small children narrowly escaped being struck by automobiles going at from twenty-five to thirty miles an hour, and parents are terrified lest their children stray out into the road and be killed.

One Fairville merchant speaking to a Times reporter today said he feared that unless something was done some innocent child would suffer. Yesterday he said, a dog was killed and pedestrians have had many narrow escapes. A member of a delegation which waited on the government last week protesting against the granting of bonds for the sidewalk extension in Lancaster, brought the matter before the house and some action may result.

THAT FREDERICTON CAPTURE

An officer of the Killies writes from Fredericton to The Times protesting against a report in the Standard on Friday concerning the capture of a soldier who had commandeered an automobile. He writes:

"Sergeant Phillips, the accused, had had this automobile in his possession for twenty-eight days in and around the city of Fredericton before we (his comrades) ever heard of it. During this time the police force of this city had failed to apprehend him. He had at 12 noon at MacPherson's garage in King street and filled his gasoline tank and journeyed on, up one street and down another. At 7 p. m. on the 8th I was informed of his misdemeanor and detailed two police, Privates Dempster and Hutchins of the 298th battalion police section, to round him up. They captured him in just thirty-five minutes and brought him with his car to our upper barracks, from there I took the prisoner to the Queen street guard room and locked him up. Chief Finley several hours later persuaded our commanding officer to hand the prisoner over to him as he was suspected of being an Austrian subject. The bicycle used by the chief in his daring capture was a swivel chair with four castors on it."

MILITARY NOTES

The date in which the 296th Killie battalion will move from its present quarters in Fredericton to Valcartier Camp has been announced. It was the original intention to have the battalion leave earlier, but owing to the success being met in Boston with the recruiting campaign of Lieut-Col. P. A. Guthrie, O.C., the permission for a few days of grace was granted. Twelve horses will be taken along with the regiment.

Col. Macneil will leave this evening for Newcastle, where he will inspect No. 2 Draft of the 12th Battery, C.E.F. The draft is now up to strength, the required number of fifty men having been secured. Lieut. J. A. McKenzie is in charge of this draft.

The recruits so far secured by the Killies in Boston will be brought at once to the present headquarters in Fredericton.

C. B. MacPHAIL DEAD OF WOUNDS

Soldier Was Only 19 Years Old
—W. E. Mills of Carleton is Wounded

Friends in St. John will learn with regret of the death of C. B. MacPhail, who is reported officially as having died of wounds. The gallant young soldier, who was only nineteen years of age, went overseas with the 160th Battalion and was transferred to another unit at the front. He was the son of Mr. and Mrs. William MacPhail of Bonaccord, Victoria county, a grandson of James Skene, woollen manufacturer of Penfield, Charlotte county, and a nephew of Alexander Skene, general merchant, McAdam.

W. E. Mills Wounded

The official announcement that her husband had been admitted to No. 14 General Hospital, Vimereux, France, suffering from gunshot wounds in the head and back on June 1, was received yesterday in a telegram from Ottawa by Mrs. W. E. Mills of 165 Guilford street, West St. John.

Private Mills had been engaged as a plumber with J. H. Doody for eleven years before leaving for Toronto to join the Pioneers. He was transferred on the other side to an infantry battalion, with which he was serving at the time he was wounded. In a letter received by his wife on Saturday he announced that he had won his first stripe.

LUDLOW STREET S. SCHOOL OBSERVES ITS 76TH ANNIVERSARY

R. H. Parsons is Superintendent
The Work of the Year—Enrollment is 336

The seventy-sixth annual meeting of the Ludlow street Baptist Sunday school, West St. John, was held yesterday afternoon following the regular classes. Statistics submitted showed that the school is flourishing and the various departments are making favorable progress. The patriotic work accomplished was also a matter of gratification to the workers.

The election of officers resulted as follows:—R. Hunter Parsons, superintendent; R. J. Anderson and Ernest Campbell, assistant superintendents; Miss Marjorie Fitzpatrick, recording secretary; Miss Mabel Wills, recording secretary; Miss M. E. Mullin, treasurer; Oscar Heade, guardian; Mrs. George Gibson, missionary treasurer; Mrs. Amos Horton, librarian; Miss Hazel Sharpe and Edgar Carvell, assistant librarians; Miss M. E. Mullin and Miss Jennie Colwell, pianists; Miss E. G. Cochrane, superintendent primary department; Mrs. M. E. Colwell, superintendent home department; and Deacon John P. Ring, honorary superintendent.

The school has an enrollment of 336 pupils with an average attendance of 260 for the year. The class over with Miss Sharpe presides supports a native teacher in India, while the men's Bible class and Mrs. Colwell's class are self supporting in the case of native students in India.

The total amount of money raised by the school during the year has been \$268.08. Of this amount the sum of \$190 was contributed for missions; \$50 for the Belgian Relief Fund, and \$100 for the Patriotic Fund. The sum voted for the latter cause was mostly raised by the Ladies' Sunshine class.

There are now twenty-two classes in the school and seven classes of the school are graded. Superintendent R. Hunter Parsons presided over the meeting.

It was brought to notice that some former attendants at the Sunday school are now fighting in France, and altogether that the patriotic showing of the school is a most creditable one.

A BARBER'S PLEA

Suggests That Patrons Get Around Earlier in the Evening

A city barber, who wants a little time to spend in his garden in the evenings, said in The Times today:

"I am the proprietor of a barber shop. I am as anxious as other people, and I know my assistants are, to get a chance to enjoy the sunshine in the evening and also spend a short time looking after my garden. This is not possible at the present time owing to the hours which we must spend at our chairs. We are supposed to close at eight o'clock, but it is very often nine o'clock before we finish, as many customers have a bad habit of waiting until the last minute to come around for a shave or hair cut.

"If the patrons of barber shops would try to educate themselves to drop around earlier in the evening and give us an opportunity of closing at half past seven o'clock during the remaining summer months instead of eight o'clock it would not inconvenience them as they have ample opportunity to eat their supper and come around for their shaves or hair cuts earlier and give us a chance to get away from a stuffy store.

"Unless the public assist the barbers, there will be a day—and that not far off—when barbers will be so scarce that patrons will be compelled to wait a long time in order to get service. The reason of this is that boys refuse to learn the trade owing to the long hours. In St. John today there are only three apprentices, and unless the conditions shortens it is doubtful if conditions will be bettered."

IN ST. PETER'S.

The feast of Corpus Christi was commemorated in St. Peter's church yesterday. In the morning solemn high mass was celebrated and in the evening a procession of the Most Blessed Sacrament took place. Rev. Peter Costello, C. S. S. R., officiated last evening and was assisted by Rev. J. McDougall, C. S. S. R., and Rev. P. Gallagher, C. S. S. R. Rev. P. Coughlan, C. S. S. R., was in charge of the procession, which consisted of altar boys, members of the married and single men's branches of the Holy Family, children of the Sunday school and the officiating priests.
