Nelson W. Brown and W. F. Todd the Respective Laurier Candidates—Nova Scotia Nominations

St. Stephen, N. B., Nov. 15—(Special)—A Liberal convention was held here this afternoon, at which W. F. Todd was chosen as standard bearer of the Liberal party for this county. He expressed himself as a "win-the-war" candidate, and a staunch follower of Sir Wilfrid Laurier.

N. W. Brown Renominated.

Fredericton, N. B., Nov. 15—(Special)—The Liberals of York-Sunbury this afternoon nominated Nelson W. Brown, of Southampton, as a candidate supporting Sir Wilfrid Laurier. Robert W. McLellan, of Fredericton, was also placed in nomination, but by agreement between the two nominees, withdrew. The nomination of Mr. Brown followed the adoption of a resolution moved by himself and seconded by Ald. C. W. Burnett, of Fredericton, which condemned the old Borden government on its conduct of the war, termed the attempt to organize a so-called union government ridiculous, and called upon the Liberals of York-Sunbury to oppose conscription as contrary to the principle of responsible government unless first submitted to the will of the people. This was moved in amendment to a resolution of J. B. Dickson, seconded by P. J. Hughes, that the convention place in nomination an independent win-the-war Liberal favorable to the Military Service act as now in force. The amendment was carried by a large majority.

N. S. Nominations.

Yarmouth, Nov. 15—A split in the Yarmouth-Clarke Liberal organization was disclosed today when one faction nominated E. K. Spinney as a unionist and later a number of Acadian delegates nominated J. W. Comeau as a Laurier Liberal.

Pictou, Nov. 15—After E. M. MacDonald, who represented this constituency in the last parliament had declined the nomination the Liberal organization today at its convention offered it to H. H. McKay, who accepted it.

Halifax, Nov. 15—E. N. Rhodes, ex-M. P., was nominated as a Union candidate for Cumberland at a convention in Amherst.

Laurier Liberals Plan Organization

Definite formation of a general executive, it was decided, would be deferred until a general convention next week when it is proposed to have the whole constituency of St. John and Albert represented.

Between 150 and 175 people responded last night to the call to supporters of the Laurier Liberal ticket to meet. The gathering was for organization purposes. J. Fred Belyea occupied the chair, and both the Liberal candidates were present and addressed the meeting. Arrangements were made for the holding of ward and parish meetings for organization purposes, and for the night following these meetings a general meeting is to be called by W. E. Scully.

At the opening of the meeting last night the proceedings of the convention Wednesday night were reviewed. Following this Dr. William P. Broderick was called upon to speak, and he told briefly his reasons for supporting Laurier's manifesto. He was followed by his colleague in the field, Dr. A. F. Emery, who spoke in a similar strain.

William M. Ryan acted as secretary and also spoke briefly upon organization.

"One Meatless Meal a Day" is a good food slogan for war time, or any time—better make it two meatless meals a day—it would mean health and strength for the nation. But be sure and get the right substitute for meat in a digestible form. **Shredded Wheat Biscuit** is the ideal substitute for meat. It is 100 per cent. whole wheat prepared in a digestible form. Two or three of these little loaves of baked whole wheat make a nourishing, satisfying meal at a cost of only a few cents. Delicious with milk or cream or fruits of any kind.

MAJOR C. H. McLEAN

Major C. H. McLean, of St. John, who has been overseas more than two years, was welcomed back to the city yesterday afternoon. Major McLean, who is a brother of General H. H. McLean, has been granted a two months' furlough and expects to return to his regiment at the end of that time.

Major McLean went overseas with the 9th C. M. B. as company commander of B squadron. When this regiment was transferred into the 4th, Major McLean went with them. He has been through nearly all the big engagements of his battalion, and although badly wounded in the knee, has been most fortunate in receiving no permanent injury.

Major McLean was of the firm opinion, like many officers and men who return from the front, that the war will be eventually won in the air.

He was of the opinion that if the Italian reverses had not come just now and if Russia had kept going as she had commenced, the war would have been over within a year. However, things now pointed to a longer period of actual war in which there was much fighting ahead.
