COLLECTION FOR ORPHANS.

The collections in aid of the New Brunswick Protestant Orphanage which are taken annually in the Protestant churches throughout the province will be received during this month. Yesterday special collections were asked for in the Anglican and Presbyterian churches. Next Sunday the special collection will be taken in the Methodist churches and on the following Sunday the Baptist churches will give their contributions. The orphanage has gone behind \$10,000 in maintenance funds this year and it is hoped that the church collections will not only dispel this deficit but give something towards the maintenance expenses for the coming year.
