LOCAL NEWS

NEW PRIESTS AWAY.

Rev. Harry McGuire and Rev. Edward Howard, who on Sunday officiated at their first masses in the city, will leave this evening on the Boston train for Esopus, New York State, to complete another year's study, before going out as missionaries. Rev. Leonard McGuire, who accompanied his brother to the city, will also leave this evening.

PLEASANT OUTING.

The choir of Main street Baptist church held an enjoyable outing on last Saturday afternoon at the Summer home of W. H. White, Fair Vale. The party motored out and the afternoon was pleasantly spent in a ramble on the beach, a thrilling game of baseball on the lawn and other interesting games. After the supper hour an excellent musical programme was furnished by the choir. Short addresses were delivered by Rev. Dr. Hutchinson, Bayard Stillwell, E. J. Sheehan and Mr. White, who is chairman of the music committee. The party motored back to the city about 9 o'clock. All voted the outing a "jolly" good one.

THE SWIMMERS.

Miss Epstein, lady matron of the Women's Amateur Swimming Club of New York, will accompany the six champion girl swimmers to St. John in July, to act as chaperone, so Frank White announced this morning. Mark Burns, who has charge of the swimming baths at Marble Cove, will look after the local swimmers, both boys and girls, and all applications for entries in the races at Lily Lake on July 12 will be made to him. The local girl swimmers who compete with the champion girls from New York will be given a big handicap, which will make it necessary for the visitors to swim a fast race to beat out the local girls to the finish line.

DEATH OF JOHN D. MACNEILL.

Many friends of John D. MacNeill will regret to learn of his death, which occurred this morning at his residence, 28 Cliff street. Mr. MacNeill was well known and respected as a citizen, a companionable man of excellent qualities, and his friends will sympathize deeply with the family in their great loss. He leaves his wife, three sons and eight daughters. The sons are Arthur C. of Victoria, B. C.; William, at home; and Frank of Boston. The daughters are Sister Mary de Chantal of the Convent of Mercy, Bangor, Me.; Mrs. F. J. Sheehan of St. John; Mrs. Edward W. Power of Halifax; Mrs. H. M. Neale of this city; Mrs. H. M. Bridgman and Mrs. Fred Buck of Woodstock; Mrs. J. Lake of St. John; and Miss Madeline, at home. The funeral will be held on Thursday afternoon at 2:30 o'clock.

THE LATE GEORGE R. PARKIN.

In connection with the death of Sir George R. Parkin, which occurred on Sunday in London, it is of interest to note that he was the speaker at the first meeting of the Canadian Club in St. John. George A. Henderson, the then secretary, has a very interesting collection of cards announcing meetings of the club from its inception on March 5, 1907, down to the present and not one is missing. On a card dated March 10, 1907, is an announcement that the club would hold a meeting in the assembly room of Keith's theatre at which the guest of the evening would be George R. Parkin, D. C. L. In a letter of acceptance of the invitation Dr. Parkin said: "I have been impressed with the opportunity which these clubs offer for useful moulding public opinion on broad national lines and I am confident of the organization of your branch will conduce to the general good."

The quarterly meeting of the bureau of the department of health was commenced this morning in the government rooms on Prince William street with an address by the minister of health, Hon. Dr. W. F. The reports of Dr. Wade and Dr. Warwick were received.

SMITH-GAULT.

A pretty wedding took place at noon today in St. Luke's church, when Miss Marlon Gertrude, daughter of Mr. and Mrs. James Gault of 140 Douglas avenue, was united in marriage to Willard Ash-ton Smith, son of Mrs. and the late W. H. Smith of this city. The ceremony was performed by Rev. W. Hilyard Smith of Portsmouth, Ontario, brother of the groom, assisted Rev. R. P. McKim, rector of St. Luke's. The bride was given away by her father and the ushers were Harold B. Gault and George A. Hilyard. The bride, who was unattended, was charmingly gowned in navy blue tulle with periwinkle blue hat, with shell pink trimmings and squirrel scarf, and she carried a bouquet of Columbia roses. As the bride entered the church with her father, she sang "The Voice That Breathed O'er Eden." Miss Lillian Bromfield presided at the organ. The church was prettily decorated with spring flowers, daisies, snowballs and June roses, and was filled to capacity with friends. A dainty luncheon was served at the home of the bride, after the ceremony, at which a large number of relatives and friends were present. Mr. and Mrs. Smith left this afternoon on a camping trip. Among the many beautiful gifts received was a chest of silver from the King street staff of T. McAvity & Sons, Ltd., where the groom is employed. Among the out-of-town guests were Mrs. W. B. Flewelling of Boston; Mr. and Mrs. K. F. Gault of Halifax; and Mrs. J. P. Macaulay of Grand Manan.

COMMUNITY CLUB DOES GOOD WORK

Glen Falls to Have Community Hall—Presents Flag to the School—Plans Play-grounds.

The Community Club of Glen Falls met in the school house last evening, with the president, Mrs. Cuthbertson, in the chair, and discussed the proposed Community Hall and other matters relating to its activities.

A. M. Belding was present by invitation and gave a short talk on the community spirit, which it may accomplish when in action, and some of the direction in which it may be exercised for community good. He expressed great satisfaction at being able to speak in a school building made available for community use, and heartily complimented Trustees Simpson and Whalen, who were present, and who are active members of the Community Club. Thanks were voted the speaker, and Mrs. Cuthbertson and the two trustees spoke with enthusiasm of the club's work and its future plans.

Lieut. Gov. Fugaley has given the club an acre of land on rising ground, which to build a community hall. The club hopes to get funds enough to build it this summer. Quite a number of men have pledged themselves to work on its erection as soon as the material is on the ground. It will be of good size and so constructed that a second story may be added, and will be a splendid community centre. It is hoped that next year's closing school exercises may be conducted in this hall instead of the cramped quarters of the school. The Community Club now has 13 members.

Trustees Whalen said that the approach to the school building had been approved and a flag-staff and flag provided, and he hoped to see the school grounds fenced and proper playground facilities provided in due time. Trustees Simpson spoke in a similar view, and Mrs. Cuthbertson expressed the hope that some trees would be planted. The club now has a minstrel circle, of twenty-six persons besides the end men, and every one of them a resident of Glen Falls. They are meeting weekly under the direction of Mr. Brophy, who said last night he had never seen any more promising amateur talent. These entertainers will be heard from in due time. The club is also planning to have already done good work that will be greatly expanded this year.

TO CAMP SUSSEX

Colonel John Houlston, D. S. O., Lieut-Colonel A. H. H. Powell, Lieut-Colonel H. C. Sparling, D. S. O., and several other officers attached to headquarters staff of military district No. 7 left the city this morning for Sussex where they will attend the ten days camp of N. C. O.'s of the headquarters staff and from the local regiments also left this morning for the camp where they will receive instructions and the regular routine of a combined camp and school of instruction will be carried out. The units represented at the camp will be the 8th Princess Louise New Brunswick Hussars, the New Brunswick Dragoons, the 1st Brighton Field Company of the Royal Canadian Engineers, and the 10th Infantry Brigade, consisting of the Carleton Light Infantry, the York Regiment, and the New Brunswick Rangers. There will be in all about 650 men at the camp.

HAVE DOCK IN THE COURT ROOM

Reference to Paris Trial—Fines for Absent Jurors.

When John Paris is placed on trial again next week for the murder of little Sadie McAuley he will not have the privilege of being seated in a chair the same as others in the court-room but instead will find himself in a newly constructed dock. It is understood that instructions were given by the attorney general that the court should have a dock for the hearing of criminal charges and this morning on the opening of the June circuit, Mr. Justice Chandler, presiding, the enclosure was an hand. It is built large enough to hold three prisoners. The Paris case will begin on July 4 and court adjourned to that date this morning.

His honor commented upon the number of jurors absent and said he had no power to excuse them—they would have to be fined. He also said that owing to the decision in a recent case it would be necessary to take the civil cases in the regular order of the docket. The dock follows: Jury Gauthier vs North American Surety Co., F. R. Taylor, K. C.; Mackay vs American Insurance Co., F. R. Taylor, K. C.; Mackay Ltd. vs Royal Exchange Insurance Co., F. R. Taylor, K. C.

Non-Jury Journey vs Railway Passenger Insurance Co., K. H. MacRae; Bond and Frier vs Maritime Nail Co., F. R. Taylor, K. C.; Steen vs Jarvis, K. A. Wilson; Saunders vs Stevens, H. W. Robertson. Some of the non-jury cases will probably be heard this week in chambers.

A "PRIVATE STILL"

On a charge of having an illicit still in his possession, Joseph Barlow was this morning fined \$200 or six months in jail. Barlow said the still did not belong to him, but was brought to his house seven days ago by a man whose first name was private and whose last name he did not know.

Excise Enforcement Officer E. P. Daves said that last evening, with Liquor Inspectors Journey and Henderson, he went to the house of the accused, in Gilbert's Lane, and was told there was nothing in the house and to go ahead and search. The witness found the apparatus upstairs. There were a five-gallon boiler, a wooden pall with copper pipe attached, forming a cooler, also a keg of about eight gallons' capacity smelling strongly of mash; besides this there was an oil stove. The accused had told him the apparatus was not his.

The Canadian Clavers wish to challenge the Aces to a game of baseball, to be played on the Clarence street diamond at seven o'clock this evening.

Franklin Was Right

It was quite a few years ago that Benjamin Franklin made that pertinent remark to the effect that a penny saved was a penny earned. But it is still true today. Perhaps even more so now than then.

One way to save a penny—or a dollar—is to put it in a good investment—and when you put it in good furniture you are putting it in a good investment.

Everett's furniture is good furniture, because we look upon every article we put on our floors as an investment we are selling to our customer, not merely a quick way of getting his money. It will give you more years of service, and look better, than many other kinds—and what's more, it won't cost you one cent more than is asked for many pieces of inferior quality. A look through our stock will interest you.
