CITY EMPLOYEES ARE SEEKING HIGHER PAY

Matters Far Board of Works To Consider at This Evening's Meeting

There will be considerable routine business to be dealt with at this evening's meeting of the board of public works. Among other matters for consideration is a request of the city laborers for more pay, the men of the scavenger department making \$1.75 and quarrymen and asphalters \$2 each a day.

There is also a recommendation that the New Brunswick Telephone Co. be granted permission to lay conduits in Dorchester street, City Road and Wall street under an agreement to be prepared by the recorder. The board will have a recommendation that all permanent employes be granted ten days vacation.

The matter of placing the supervision of the streets under Assistant City Engineer Hatfield will also be up for consideration. Regarding this departure it is understood that it will occasion some discussion and from what can be learned the West Side aldermen are against it.

C. J. WARD'S ESTATE.

Will in Probate Today—A Lorneville Matter

In the probate court today, the will of Charles J. Ward, tavern keeper, was proved. He gives all his estate to Anne, his wife, absolutely. The testator died on March 12 last; his widow on the 28th day of the same month, within three months of her husband's will, died. The wife made her will appointing Andrew McIntosh of the Parish of Simonsville, executor and trustee, and directed him to divide her property one-half to be given to her adopted daughter, Esther White Ward, the other half to be equally divided among her sisters and half brother and half sister. Practically all of the estate of which Mr. Ward was seized was what she got from her husband, Charles J. Ward left no relatives so far as known except a niece whose residence is unknown here. Accordingly administration with the will annexed was granted on the husband's estate to Andrew McIntosh, the executor and trustee of the wife's estate. Real estate in British street is valued at \$1200, personal estate consisting of the leasehold in which the deceased did business, namely the One Mile House, and other personal property valued at \$4,800. J. B. M. Baxter K. C. is proctor.

In the matter of the estate of Mrs. Martha Stinson, late of Lorneville, the accounts and vouchers of Anne, the widow, were presented with a petition to pass them. A citation was issued returnable on July 17. J. King Selley is proctor.

THREE CHARGES ARE MADE AGAINST BOY

Arthur Lockhart Arrested on Suspension Bridge Last Night—Theft, Getting Goods on False Pretences and Truancy

Arthur Lockhart, a twelve year old youth, was arrested between 10 and 11 o'clock last night by Policemen Lee and Clark, and in the police court three charges were read against him. He is charged with having stolen \$2.25 from Mrs. William Thompson on Monday, May 29, in the house of Mrs. Frank Craft in Water street, also with obtaining goods under false pretences from Harry Sparks store in Douglas avenue on Monday, 22nd, and also with truancy.

On Monday Mrs. Thompson, who resides in St. John street, west end, hinted to her husband's dinner to him. On his return she gave him ten cents, which she took from a pocket-book in his presence. Soon after she put the pocket-book in her pocket and went down to Mrs. Craft's house.

She left her coat in the hall and went inside. When she returned for the coat she could not locate it. However, about 10.30 last night they caught him on the suspension bridge, as he was returning home from the city. He admitted the theft and went along with the police. He said that he had been in town all afternoon and evening and had visited six picture theatres and ten restaurants.

Lockhart was employed with Mr. Sparks, who keeps a confectionery store in Douglas avenue, and one on the west side, selling potatoes, but was discharged on the 27th. He however, he went into the avenue store and told the girl that Mr. Sparks had sent him four or five peanuts and candy. He received the goods to the value of \$1, and departed. The police were looking for him on this case. On several occasions he visited his home, but he had always made a getaway, escaping out of a window and over roofs. Several witnesses were in court this morning, but the case was adjourned in order to have the facts proven in court.

CARLETON WEDDING

Clarence O. Dale's, Now of Boston, Weds Miss Jennie Muriel Cunningham

A very pretty wedding was solemnized in the Carleton Presbyterian church at 9 o'clock this morning, when the pastor, Rev. H. R. Reid, united in marriage Miss Jennie Muriel Cunningham, daughter of William A. Cunningham, of the West Side, and Clarence O. Dale's, now of Boston, T. O. Dale's, of the C. P. R. here. The church was very tastefully decorated with tropical plants and lilies. The ceremony was performed in the presence of a large number of friends and relatives of the bride and groom. The bride looked charming in a faint tailor made suit with a black picture hat, and carried a bridal bouquet of lilies of the valley. She was given away by her father, and was unattended. Miss Nettie Retallick presided at the organ.

After the ceremony the bridal party drove to the Union Depot and left on the Boston train on a honeymoon trip to Boston, New York, Buffalo, Washington, Philadelphia and Albany, etc. Dale's holds a lucrative position in the office of the general manager of the Boston & Albany Railroad and has been living in Boston for several years. The popularity of the young people was attested by the large array of beautiful presents they received. The groom is a graduate of the St. John's school, and has a great many friends in the city. Mr. and Mrs. Dale will reside in Newtonville, Mass.

THE MEN WHO WILL TAKE SCHOOL CENSUS

The work of taking the census in the city schools is to be conducted during the next two or three weeks, and some of the enumerators being their duties this morning in their respective wards. They will visit the houses on each street in the ward to which they are assigned, and take the names and ages of the children from five to fourteen years. When this has been done, the lists will be compared with those in the registers of the schools, and in this way the number of children who should attend school, as well as the number who do not, will be determined.

Supt. H. S. Bridges this morning gave out the following as those who had been selected as enumerators, with their respective wards—Harold Gardiner, both wards St. John west; Caleb Belyea, Landdowne; W. J. Short, Lorne; Albert Peters, Queens and Duke; Frank McGuire, Prince; Martin Layton, Kings; R. A. C. Down, Dufferin; Mark Stevens, Wellington; James McKinney, Sydney; Daniel B. Collins, Victoria; and James O'Leary, Stanley.

NO BOY SCOUTS FROM HERE TO CORONATION

So far as is known at present none of the local members of the various detachments of boy scouts is planning on attending the coronation festivities in June. W. H. Moor, Y. M. C. A. boys' secretary, announced some time ago that an opportunity was presented for the boy scouts of this city to attend, but up to the present none have accepted it, and it is thought unlikely that any will go.

The lads from Montreal and other places will leave about June 10.

POLICE COURT TODAY

Two prisoners on drunkenness charge and one charged with being a vagrant faced Judge Ritchie in the police court this morning. Robert Campbell was fined \$5 for drunkenness and Frank Dunbar \$4 for a like offence. Michael Dunn, arrested for being a common vagrant, with no means of support, was allowed to go on condition that he leave town at once. Dunn told the court that he belonged to the United States, but came to this city from Halifax to seek work. "How can you get out of town," asked the magistrate. "I can walk," answered Dunn. "Then start walking," replied His Honor, and Dunn did.

The case against Clarke and Cronin, charged with lighting in Erin street, was to have come up in the police court this morning, but was adjourned until tomorrow morning at 10 o'clock.

PICNIC POSTPONED.
At a meeting held in their rooms last evening the members of Branch 482, G. M. B. A., decided to postpone the holding of their picnic from July until on or about Labor Day next. The picnic will probably be held at Chapel Grove.
