

DR. A. F. M'AVENNEY HAS PASSED AWAY

Kindly Man and Good Citizen Died in His Eightieth Year

In the eightieth year of his age, Dr. Andrew F. McAvenny passed away last night at his residence, 136 Duke street. His death will be sincerely mourned by very many friends. Of a quiet and retiring nature, his kindness, courtesy and good works brought him universal esteem. He studied for his profession of dentistry in Philadelphia and for many years he practised in St. John where he attained an enviable reputation for skill.

For the last few years he had retired and was engaged chiefly in the work in connection with the registration of dentists for the province. He married Miss Waters, a daughter of the late Judge Waters. His wife, one son and one daughter died several years ago. He is survived by one daughter, Miss Helen, and one sister, Miss McAvenny, who resided with him. Sincere sympathy has gone out to the bereaved.

Dr. McAvenny was a member of the Cathedral parish until he took up his residence in Duke street about four years ago, since then he had attended St. John the Baptist church. He had been in failing health for the last two years and for the last few weeks had been confined to his bed. Dr. McAvenny was greatly interested in the work for the prevention of tuberculosis, assisting the local society in every way and having special care for the work at the River Glade sanatorium also. Arrangements for the funeral had not been completed last night.

W. Stearns; secretary-treasurer, J. R. Miller; directors, S. A. Thomas, F. S. Crosby, H. H. Peters, Hugh Mackay and Percy Turcott.

PLAY IS PRESENTED BY THE Y. W. H. A.

The two-act comedy "Patsy" was presented by members of the Young Women's Hebrew Association in the lower hall of the synagogue Sunday night. The audience was greatly delighted. Although none of those who took part had ever appeared in amateur theatricals before, each acquitted herself with entire success. The play was given under the direction of Miss Sarah Budovitch who also took the part of the leading character. Other members of the cast were the Misses Belle Corbett, Pearl Baig, Aida Jacobson, Ethel Baig, Ruth Jacobson, Rose Budovitch and Sarah Hoffman. Specialties between the acts were also much enjoyed. There were choruses by the members of the cast and songs by Mike Baig and Lawrence Isaacs. The accompanist was Miss Eva Watson. Miss Sarah Budovitch showed remarkable talent. She is leaving shortly to take a course in elocution at Emerson College of Oratory, Boston.

TRINITY W. A. HAS ANNUAL MEETING

Year of Progress Reported and Officers Are Elected

At the annual meeting of the senior W. A. of Trinity church yesterday, Mrs. F. J. G. Knowlton, president, was heartily welcomed after her long absence from the city. The branch had had a year of exceptional success and progress, the reports showed. The resignation of Miss Annie Scamnell, corresponding secretary, was regretfully received and a resolution of appreciation extended her.

The members attended communion service in the morning when an inspirational address was given by Rev. Canon R. A. Armstrong, the rector, who took for his text, Matthew 13:38, "The field is the world." In the morning business session the reports of officers were presented showing an enrollment of 146 members, including 15 new ones. The treasurer reported receipts of \$1,182.17, including \$118 for Dorcas collection; \$235 for the pledge fund; \$29 for the divinity scholarship; \$2 for the educational fund; \$47.75 from the Thank Offering and \$49 from the E. C. D. fund. The balance on hand was \$486.08.

The afternoon session was opened by Canon Armstrong, who gave the devotional address. Mrs. E. A. Schofield, who had been acting as president in Mrs. Knowlton's absence, told of the increased work accomplished, two out of five having been made instead of one and many other articles of Dorcas work also. She mentioned the gifts sent at Christmas time to three country rectors; the mission study of which Japan had been the subject; the good state of the finances with all pledges met and some increased, and expressed her personal gratitude to members and officers. A vote of thanks was extended Mrs. Schofield on the motion of Mrs. H. H. Pickett.

Speaks on North Country.

The special address was given by Eldon Merritt, recently returned from the far northern mission field. Mr. Merritt paid a tribute to the work of the W. A. He spoke of the mission school at Hay River where some Eskimo children are taught with the Indian children. He thought it a pity that the Eskimo children should be taken so far south to learn cultural methods and other useful arts that could be of no value to them when they returned to their barren home country. He was glad to say there was a movement on foot to establish a school, a hospital

and a church on the shores of the Arctic.

Mr. Merritt gave an interesting description of the climate and country, disabusing the minds of his hearers of the conception that there was always intense cold. Mr. Merritt made an earnest plea for support of missionary work among the Eskimos.

Miss Dorothy Robson gave the report of the Young Women's Guild and Mrs. J. B. Nichol, of the Junior branch. The junior members took part in an attractive pageant which gave a comprehensive idea of W. A. work. "Coming from afar" was the title of the pageant. The juniors carried their parts splendidly.

Rev. C. J. Markham, the curate, pronounced the Benediction at the close of the meeting.

Officers Elected.

The scrutineers for the election of officers were Miss C. Desborough, Mrs. Russell Sturges and Miss George Patton. The election resulted as follows: President, Mrs. F. J. G. Knowlton; first vice-president, Mrs. E. A. Schofield; second vice-president, Mrs. J. H. McAvity; third vice-president, Miss Allan; corresponding secretary, Mrs. H. Partridge; recording secretary, Mrs. W. H. McAvity; treasurer, Mrs. A. E. Wilson; extra cent-a-day fund and mite boxes, Mrs. C. F. Regan; Dorcas secretary, Mrs. J. L. McAvity; literature secretary, Mrs. H. H. Pickett; leaflet secretary, Mrs. J. J. Gordon; junior superintendent, Mrs. G. B. Nichol; babies' branch secretary, Mrs. Mary Harris; delegate to diocesan annual, Mrs. D. Sealey; substitute, Mrs. W. A. Nichol.

WEDDINGS

McMumber-Brown.

A wedding of interest was solemnized in the rectory of St. George's church, West End, Monday evening when Rev. W. H. Sampson united in marriage Aubrey McMumber and Mrs. Lillian Brown, both of St. John. The ceremony was witnessed by a few friends of the bride and groom. The bride, who was unattended, looked pretty in a navy blue tailored suit with hat to match. They have the best wishes of their many friends for their future happiness.

DEATHS

Mrs. Ida J. Mitchell.

The death occurred suddenly yesterday in Bar Harbor, Me., of Mrs. Ida J. Mitchell, daughter of Mrs. Bessie and the late R. Allison Bray, formerly of this city. Mrs. Mitchell removed to Bar Harbor only a few years ago. She is survived by her mother and one sister, Mrs. Thomas Knowles, of Bar Harbor.

Mrs. Harry C. Gifford.

Many friends in St. John will learn with regret of the death of Mrs. Harry C. Gifford, which occurred on March 11 at her home in North Easton, Mass., after a lengthy illness. Mrs. Gifford is survived by her husband and two children, at home, her parents, Mr. and Mrs. George Cobham, of West St. John; three sisters, Miss Alice Cobham, of West St. John; Miss Greta Burpee, of West St. John and Mrs. A. Morrisett, of Dorchester, Mass., and three brothers, Harry, of Kamloops, B. C., and Roy and Charles, of West St. John. The funeral will be at North Easton.

The Late W. F. Young.

Digby, March 11.—(Special)—Death came with startling suddenness to one of our best known citizens, William Fenwick Young, yesterday afternoon when he dropped dead in the store in which he was employed while talking with a fellow clerk. Mr. Young was a son of the late Edward and Sarah Young and was born in the town of Young and was in his business career with G. L. Lettice and Brothers, afterwards going into business for himself in partnership with Mr. G. L. Lettice, Grand Marston, the firm being known as Guphill & Young. This continued until the great fire of 1898 wiped them out. Since then he has been employed in several mercantile concerns.

He leaves two daughters, Mrs. Frances Reading, of Truro, and Miss Viola Ferguson, of Grand Marston, and one son, Donald, of Digby, also one sister, Mrs. Henry Dakin, on the Pacific Coast, and one brother, Charles, of Edmonton. It is a peculiar coincidence that his father died suddenly while in H. B. Short's employ, dropping dead in the store. His mother used to be one night in her usual good health and was found dead in the morning, as was her mother before her.

Arthur K. VanHorne.

Yarmouth, March 11.—(Special)—The entire community was profoundly grieved by the news this morning of the death of Arthur K. VanHorne, one of Yarmouth's long business men. Mr. VanHorne, accompanied by his wife and young son, left several days ago to spend a few weeks in Florida. At the time of leaving Mr. VanHorne was suffering from a heavy cold which developed into pneumonia when he arrived in the south, and terminated fatally at Jacksonville, the news being received here today by Hon. E. K. Spinney. He was 53 years of age. He was identified with many noteworthy objects and his last public act was in connection with Yarmouth's memorial park in which he took a leading part in its completion.

Mr. VanHorne conducted a leading furniture business in this town. He was prominent in Masonic circles and was lately re-elected to the office of marshal in Hiram Lodge A. F. & A. M.

Mrs. G. W. Warnock.

Fredericton, March 11.—Word was received here today of the death at Grand Falls of Mrs. Isabella Warnock, wife of G. W. Warnock, M. L. A., for Victoria county. Mrs. Warnock was a daughter of Mr. and Mrs. Wm. Archibald Forbes, of Grand Falls, was 45 years of age. Three children also survive.

Mr. Warnock was unable to come here for the opening of the Legislature because of the illness of his wife and about the house today members of all parties expressed sympathy for the bereaved member for Victoria.

Mrs. Harry M. Clark.

Fredericton, March 11.—Death came suddenly to Mrs. Minnie Clark, wife of Harry M. Clark, Charlotte street, this morning, following a few hours illness.

Mrs. Clark was around as usual

WHERE WOULD THE CITY BE WITHOUT ITS INDUSTRIES?

Are Citizens Really Giving to Important Industrial Operations the Consideration They Deserve?

A community without strong, virile industries, is a community that is not progressing. In such a community work—and its recompense—wages, are seriously affected.

On the other hand, truly, is a great industry a NERVE CENTRE of a community.

It provides continued employment for the bread-winner; it distributes large sums, in the community, by reason of purchases, etc., etc.

From it speed those energies which radiate health, cheer and comfort. ON SUCH AN INDUSTRY DO GREAT THINGS HANG.

St. John has, long, realized the importance of SECURING NEW INDUSTRIES.

St. John knows, by experience, that the urgency of ENCOURAGING THE INVESTMENT OF NEW OUTSIDE CAPITAL in the city is ever present.

The impairment, or closing down, of some lines of industrial endeavor, in the city, has, as the press frequently notes, been the reason why sons and daughters—even whole families—of this city, have sought, elsewhere, for the means to earn their livelihood.

And, apart from the personal sense of such losses in our population, EACH AND EVERY adult who has left the city has taken with him a potential earning power, the average value of which has been placed at \$1,000 per year.

BUT, while citizens fully realize that St. John needs new industries, if our growing population is to be provided for and our people kept at home, ARE THEY GIVING DUE THOUGHT TO, AND APPRECIATION OF, THE IMPORTANCE OF THOSE INDUSTRIES WHICH ARE CARRYING ON IN THEIR MIDST TODAY?

Have they, ever, seriously considered that THESE INDUSTRIES HAVE THEIR DIFFICULTIES AND THEIR PROBLEMS?

BECAUSE, after all, to paraphrase an old saying: AN INDUSTRY ON HAND IS WORTH A GREAT MANY IN PROSPECT.

Simple Application That Dissolves Blackheads

No more squeezing and pinching to get rid of those unsightly blemishes, blackheads. There is one simple, safe, and sure way to get them out, and that is to dissolve them. Get about two ounces of peroxide powder from your druggist—sprinkle a little on a hot, wet cloth—rub briskly over the blackheads for a few seconds—wash the parts, and a few blackheads will be gone. Pinching and squeezing out blackheads make large pores, and you cannot get all of the blackheads out this way—while this simple application of the peroxide powder and water dissolves every particle of them and leaves the skin and pores in their natural condition.

Highlights of Today's Show

One big meaning of the Spring Fashions displayed today at Daniel's is quality at a moderate price. Quality at a moderate price—could you think it of such charming garments as shown this afternoon? When you think of what Daniel's may have, there's a comforting expectation.

Another piece of news. Abundance of beaded Dresses. But that applies for now only, for they are snapped up swiftly.

Then the variety of weaves. All sorts of new crinkles appear and disappear as discovered by knowing searchers.

Navy Point School Frocks with cuffs and cravats of Scarlet or White have taken on tremendously down in New York.

Did you notice some of the new drapes? Come in tomorrow and see how they look on you. And of course you couldn't help fixing your eye on that Navy Roshinara with the long flaring Batik insert figured in White and Gold.

Without taking in the Overblouses, the Suits and the Coats, it looks like spirited shopping these days at
