THE OTHER WORLD. Ir lies around us like a cloud-A world we do not see : Yet the sweet closing of an eye

Its gentle breezes fan our cheek: Amid our worldly cares Its gentle voices whisper love, And mingle with our prayers.

May bring us there to be.

Sweet hearts around us throb and beat, Sweet helping hands are stirred, And palpitates the vell between With breathings almost heard.

The silence-awful, sweet, and calm-They have no power to break; For mortal words are not for them To utter or partake.

So thin, so soft, so sweet they glide, So near to press they seem-They seem to lull us to our rest, . And melt into our dream.

And in the hush of rest they bring How lovely and how sweet a pass The hour of death may be.

cial annoyances at this season is the perpetual heaving of tence posts by the frost. When this occurs badly, the expense and ther advanced in frue Tom Hyer style to the Englishman, who had kicked him in the Taylor, of Bradford Co. Pa., states his mode of setting posts in soil which heaves badly. He writes : "I have had experience in fenceand sailors, perfectly, astonished to see a think such an adept in the fistic making, have tried different ways, and I think the difficulty alluded to can be entire-Turk such an adept in the fistic

The Englishman, nothing loth to have bit of fun wishes Turk of such a John Bull turn of mind, set to work, but found he had met his master. In five minutes he had be "quantum sufficit." As the Turk coolly replaced his coat and turban, he turned round and sad to the admiring bystanders, in the pure brogue:

Bed luck to ye, ye spalperns! when ye're afther kickin' a Turk. I'd advise ye, the it and drawing it out. Though it has been pure brogue:

Bad luck to ye, ye spalpsens! when ye're afther kickin' a Turk, I'd advise ye, the next time. To be shure he's not an Irishman!

The mystery was solved—the Turk was a were first set, they have not been drawn out by the froat, and have only to be straightened.
