rough inaibility to get for rty of twenty-two men in via Edmonton:

entire winter

had no surplus food and that feed fo the animals could not be secured. our supplies were falling low I th a large force, but caused the Mexican make more than a mile and a half a hour, and that was insufficient justify them continuing the attempt the snow and every movement of the

descend. "I at once gave orders for the men bers of the party who had by this tin eaten up all the bacon and canne goods, to get ready for the sixty-mi march to safety at Tete Jaune Cach Before leaving our camp on Decemb 5 I only allowed each man to take blanket along in order to hasten the travel. Then men even left their sonal belongings behind. When w vided up the supplies each man got fi pounds of rice. It was that slende tion that saved us from starvation. was hard going over the deep sn covered summit, but on the other 18 42 the snowfall proved lighter and snow was not damp we made progress. We had finished the grain of rice when we struck Jaune Cache. On reaching Ka via Edmonton I sent a courier no Blue river with instructions 13 15 packers to abandon any atten-0 03 14 00 send through supplies to our old ca If they have tried to make the trip
