The Local Government vs. the Sheriff of Gloucester. To the Editor of the Miramichi Advance: time believed to be in opposition but Crawford, of Montreal-which shares Mr. Sheriff of Gloucester, is, at the present time, creating considerable discussion, and judging from the information elicited dangled before his eyes which instantly the following Board of Directors appoint THE BRIG "VICTORIA AMELIA," 188 that the act is one that reflects anything tons, Pelham, master, from New, Carlisle, but favourably upon the present Government by whom he was appointed to the wasteful expenditure of the Government the North Beach, near the entrance to Richibucto Harbor, on Saturday morning during a N. E. gale. The cargo consists the Caraquet Riot was in full blast, while was economy in disguise, its crooked paths straight, bis old sub-rosa associates needy, greedy, office-seekers and newof eight hundred and sixty thousand shin- the person who then held the office was found colleagues, upright honorable men. either afraid or unwilling to perform Then there is the Hon. Robert Mar will be at considerable expense that the his duty, and no other man could be found shall, who, on his first appearance upon in the county willing to accept the office | the political stage, ran an election in oppo and perform its difficult, dangerous and anything but desirable duties. What the inducements were that the Government state of feated at that time, he thought seriously held out to Mr. Vail to leave his comfort- over the matter, and when the next chance able home in Sussex, accept the office officed, he turned his coat of many with all its dangers and difficulties, and colours and came out as the defender and remove to Gloucester, is alone known to supporter of the Government. A short that gentleman and the Government; but time after his return he was rewarded by CREDIT:—If the compositors of the FREMAN have omitted to give due credit for any news items taken from the Advance we can only apologize.—Freeman.

We did not know that the do, he never would have accepted the office. Since the days that Messrs. Tilley and Mitchell handed the reins of power General. How these three men, above all to the present Government, what deeds the others in the Legislature, after the and acts have they not been guilty of to manner they had impeached, denounced hold unto and retain power? How often and arraigned the Government from every have its members-after they had found platform in their respective counties a that their Government had become dis- few weeks before, could pocket their bribes tasteful to the country—intrigued and plotted one against the other with leading thembers of the Opposition, and after they honorable men. 'Tis true, as one of them had succeeded in ousting their prescribed is reported to have said, that if they had friends from office, take to their virtuous not taken the offices when they were tenbosoms the very men, who, a few short dered to them, the appointment would weeks before had been the loudest in desins that a corrupt Government could be guilty of. The latest act of this descrip- of clearing a few thousands might never Boothbay (Mass.) Register, referring to the above barque, owned by Chas.

Watt, Esq., of Newcastle says:

Iton, it will be remembered, was the expulsion of Messrs, Kelly and Stevenson from their body a few weeks before the last general election, after they had found who sets a money value on his honor and cured by DR. HERRICK'S SUGAR-COATE "On Tuesday we paid a visit to the Bark Richard Hutchison, unloading salt at S. Nickerson & Sons. The cargo was so near out, the keelson could be seen under the hatches, and a stronger or a better timbered vessel we have never seen. Strong hackmatac and iron knees bind her staunch ribs so firmly together that it seems scarcely possible her sides could be wrenched asunder in any gale. The aim of the builder has evidently been to make a vessel for service in the carrying trade. Her figure head is a fine life-like bust of the man she was named for."

I ast general election, after they had found that the Province, that the Province, that the Province, could not be again duped by their spurious cry for the people to rally for the defence of the Free Non-sectarian School Law, which they had bestowed upon them, and which was once more in danger from the attacks of its Roman Catholic enemies. These Elections, it is well-known, resulted adversely to the Government, but though defeated at the Province, could not be again duped by their spurious composed, and it has only been kept in power by its members resorting to the should always be kept near at hand, in which was once more in danger from the attacks of its Roman Catholic enemies. These Elections, it is well-known, resulted adversely to the Government, but though defeated at the Legislature, and that is to eject one of the Legislature, and that is to eject one of the Legislature, and that is to eject one of the United National School Law, was not desired. The same time of the Deposition with his vacant seat and province for years been composed, and it has only been kept in power by its members resorting to the most dishonorable and disreputable of acts when its measures have been threatened with defeat by an adverse vote of the Legislature, and that is to eject one of their number and bribe a leading member of the Opposition with his vacant seat and position in the Cabinet. VESSEL SKIZED—The French barque polls, they were not deprived of their soundary, Capt. E. Martin, now lying in ability to intrigue and plot for the mainthis port has been seized by the Sheriff at tenance of their power, their offices and the instance of George McLeod Esq., in their salaries. As it was the Roman such a nest of traitors when each one consequence of a claim for unpaid dis- Catholics that they feared most, they de- knows and feels that he cannot put the pursement account, contracted when the cided to offer two vacant seats in their slightest dependence in the pledged word vessel was consigned to him here last year.

It may be remembered that the Captain of the Soundary died here last season.

body to members of that religious persuasion, when hope that by so doing, they work smoothly until the time arrives would make friends of their bitterest and when one of their number like Jonah of We understand that the matter has almost determined opponents. Consequentready been the subject of litigation in ly the Hon. Robert Young was deputized the disreputable crew of the Government little and the litigation in large friends of their number like Jonah of old, has to be sacrificed to save the rest of the disreputable crew of the Government litigation. France. It is probable that the ship will to carry on the intrigue, and as a proof obtain bail through the French Conof his ability to successfully deal with high jinks among them for a time, but men who were willing to sacrifice principle tained the appointments of the Hon.

Michael Adams, as Surveyor General and

Derby, 9th May, 1881. The Canadian Pacific Railway Co. Emigration to Manitoba

Canadian Northwest. Sale of Lands. To encourage the rapid settlement of the Country, the Canadian Pacific Railway Company will be prepared, until further notice, to sell lands required for agricultural purposes at the low price of \$2.50 an acre, payable by instalments, and will further make an allowance by way of rebate from this price, of \$1.25 for every arre of such lands brought under cultivation within three to five vears following the date of purchase, according to the nature

AND THE

on.

The lands thus offered fer sale, will not comprise Mineral, Coal or Woodlands, or tracts for Town sites and Railway purposes.

Contracts at special rates will be made for lands required for cattle raising and other purposes not involving immediate cultivation.

Intending settlers and their effects, on reaching the Company's Railway, will be forwarded thereon to their place of destination on very liberal terms. Further particulars will be furnished on application at the Offices of The Canadian Pacific Railway Company, at Montreal and Winnipeg.
