The constitution of Chili provides that the electors chosen by the people shall meet and elect a President of the republic. The Liberal Presidential electors met in caucus yesterday and nominated for President of the republic for the next five years Admiral Jorg Montt. The nomination is equivalent to an election. The inauguration will take place at the capital at Santiago, December 26. It is stated that the election of Admiral Monti is not only approved by the entire Liberal party, but the leading members of the Opposition acquiesce in this selection, believing that it will tend to consolidate the best in terests of the country. It is believed that the police were not around.
