where it can get warm while you are mixing. Having everything ready at

hand, mustard, flour and a spoonful of molasses, with a bit of old muslin or

linen-an old handkerohief is the bes

thing for the purpose. Stir the mustard and flour together first, making the plaster stronger or weaker with mus-tard as you have been directed. Add

the molasses and then the water until the smooth mass is about as thick as

porridge or poultice. Spread year cloth

on the warm plate, using the middle portion of the linen and leaving a mar-gin on all sides, which is to be folded

back at the edges. Put a second cloth over the whole, so that the mustard is

entirely hid between the two covers and keep on the plate until it is necessary to apply the plaster.—Philadelphia

Value of Toes In Walking

The idea that the lesser toes are neces-

sary in walking is generally entertained, and it has been a surprise to European physicians to learn that amputation of all the lesser toes of both feet

has been followed by complete receivery and the restoration to usefulness of both

the feet operated upon. The feet healed slowly after the operation, but very

steadily and without unpleasant om-plications. The operation was perform-ed, and in a little more than a year and a half the patient danced all night and

experienced no inconvenience whatever

on account of having only one toe on

each foot. She rides a wheel, plays ten-

MUSIC—Sacred and Secular, PAINT-ING, DRAWING, TYPE-WRITING, are aphicet to arter charges.

It is not generally known that a former by a detective to the police depot under the delusion that he was bound for a ocean the first elephant that was ever in America. The name of the gentleman was Moses Smith, who at one time ownpastry cook's, there to give an order for a sumptuous wedding breakfast. The ed a vast body of land from the mouth of Panther creek up the river, embracman was, it appears, formerly employed as a valet by one of Mile. Delaping nearly all the present farms in the neighborhood of Sorgho. Mr. Smith was at Paris with his brother and had "more money than he knew what to do with." He told his brother that he inlume's friends. - Paris Letter. The Birth of the Prince.

eity was as if insane. Church bells rang joyful peals, great guns fired equally joyful salvos, happy announcements were posted up at every point of vanthat the people had never seen.

had better buy an elephant," said the jocular brother, and that was what tage, and excited crowds besieged every entrance and avenue to the palace in a confert delirium of joy.

the owner soon found that he had something worse than the proverbial white elephant on his hands. He tried to sell it, but could find no buyer and at last undertook to give it away, in which he was equally unsuccessful. Finally he found a man who agreed to pay him \$100 for it, and this individual put it on exhibition. He was so successful argainst the whole imperial family when on exhibition. He was so successful against the whole imperial family when the sad news came of the reverse the

ly. Colonel Frank McKernan of Adair-ville is a grandson of Mr. Smith, who Some of the noblest, the most generous, the most self devoted men I have lived to a great age at his home in this county.—Owensboro (Ky.) Inquirer. ever known in the course of a somewhat long life I have found among Frenchmen—men quite worthy to be classed among the grandest heroes of antiquity. We will call him Bishop Simmons During the afternoon the younger min-But there is a reverse side to the medal, and when the tigerish nature of the existers had listened to him with veneration and respect, and when their rn came they found him a dignified and citable Frenchman is roused he is capable of a savage cruelty very near akin careful listener.

The afternoon was delightful and the has been compared.—Cornhill Magato that of the wild beast to which he

camp meeting service was a long one.
The good bishop was a keen lover of the weed, and after the meeting had closed he strolled off for a smoke. At a little Satan as a Landlord. distance he found an abrupt ledge entirely out of the view of the camp majesty. This spot lies 41/2 miles south of Helsingfors, Finland. grounds, and going down around to the loot of this he lit his cigar and prepared for a quiet half hour.

As it chanced, soon after one of the

A few years ago Lara Huilariene died in the little town of Pielisjarvi, in the younger ministers took a walk from the above named country, leaving considergrounds, and finally came to the top of the same ledge, and, looking down, saw tate. How he had come into possession of so much land no one seemed to For the space of a moment or two he know, but as he was a very bad citizen stood with a gleam in his eye, and then, stooping down, he said in a sort of triit was generally admitted that he was in league with wintahausu (satan) and umphant tone:

''Ah, Father Simmons, I've caught that they had many business deals with each other.

he set out to attack an opponent. At a Dublin election he started to assail Recorder Shaw, who was a very dignified and handsome man, by declaring him and h low whose visuge would frighten a | would not enter the possessions of Satar Errse from his cats. The lord mayor, & Co. for all the money that the three who presided, remarked on these ameniestates would bring.—Pearson's Weekly. ties and said it might be supposed such a critic, like Hamlet's father, was endowed with Hyperion curls and the wrinkled brow and a scratch wig. As for himself, he would not be unwilling to compete with the demagogue before to compete with the demagogue before a jury of ladies if they could only see him as nature made him without the aid of the barber. O'Connell strode to the front of the platform, snatched off meaning in the olden times, and the his wig and pointing to his naked head covered with a stubble of gray hair, cried, "Ladies, I demand your instant

judgment!" Of course he had the laugh and the best of the encounter.—San An Unexplained Point. Peter Lombard points a moral in the called from the early settlers the name of wych hazel from the resemblance of English Church Times with this story:
"Mrs. Preudie, the excellent wife of the bishop of Copeminster, down in the midlands, does admirable work by going among the poor people and talking to them out of her own experiences and giving them wholesome advice. She did so the other day at Mudbury, near Copeminster. Next day the rector's daughter at Mudbury said to one of the audience of the previous evening, 'Well, Mrs. Toddle, what did you think of Mrs. Proudie's address?' 'Oh, it was very good; but, you see, she only went half way.' 'Whatever do you mean, Mrs. way.' 'Whatever do you mean, Mrs. Toddle?' said the young woman. 'Well, since then.' miss, she didn't tell us what she does

when Mr. Proudie comes home drunk. We should like a little advice on that 'ere point.' " Biggs—Quite a rivalry between Tand Fred. Griggs—Yes, I understand they both seeking the hand of Miss Triffett.

Biggs—They both called at her house the other evening and at once began the exciting game of trying to outsit each other. Tom had to give it up finally and left Fred in possession.

Griggs—So Fred got the best of it? Biggs—That's the question. It was a rainy night, and Tom did not take away the poorest umbrella when he left the house. -Boston Transcript. Carries His Hatchet In His Boot Leg.

In some places men carry bewie knives and guns in their boot legs. One | rioters.' may meet in Fulton fish market in this city a man carrying a hatchet in his boot leg, but the hatchet is for peaceful purposes. It is an implement much used in the market for opening and for nailing up boxes and barrels in which fish are packed, and the boot leg seems to be the handiest place to carry it.—New York Sun.

Mme. de Pompadour encouraged fan painting and alse collected fine specimens of the work. Greuze, Watteau and other great artists did not disdain to lend their talents to the art. These pictures were done mostly on vellum er chicken akin.

Securing a Lunatic. In one of the most fashionable districts of Paris a mock marriage was recently planned for the purpose of secur-ing a rather dangerous lunatic. An at-tractive young person named Mile. Delaplume was sitting in her boudoir the other day in a house situated in a street off the Boulevard St. Germain. like a superior sort of valet. He told cigar. It was plain that he had some-from one of her friends, a countess, and "I was thinking of my early college from one of her friends, a countess, and as the young woman put her hand out days," he said, "and of a peculiar in to receive the missive the stranger seized her fingers, pressed them to his lips, and then, sinking on his knees, made a passionate declaration of love

uvited the strange visitor to the mayor's office in order to have the nuptial knot tied. The man accompanied her know there wasn't a man in the class that did it at the first attempt. It was funny to watch some of those embryo with alacrity to the establishment in question, where a secretary, informed of the real state of affairs, pretended to read the civil marriage regulations. The mock bridegroom was then taken surgeons poise the needle with a determined air and launch 'it to within a hair space of the flesh and there stop dead. Others tried to force the needle in slowly, but paused very shortly, with an expression of pain commen-surate to that of an amputation. I my self gave it up as a bad job, and hacked a cavity in my thumb with a penknife, and found it easier. "The fact that we were very young

Paris was in an uproar. The whole by personal test. Almost everybody exthe fourth trial. - New York Sun.

where it was a nine days' wonder, but realize—that many of those then shout-the owner soon found that he had some-the owner soon found that he had some-

that he went into the show business and made a fortune out of Mr. Smith's folimperial army had suffered when battle after battle had been lost.

> There is only one spot on the earth's surface that has actually been willed, eeded and bequeathed to his saturic

you burning incense to the devil."

The bishop took out his cigar and This somewhat startling opinion was verified when old Huilariene found a turned about till he had swung the speaker fully into view, and then added slowly in a deep voice:

"But I didn't know he was so near." certified warranty deed which deeded to satan all his earthly possessions. The will was to the same effect. The family have repeatedly tried to break the will, but so far, has been unsuc ful. Thus the records plainly show An Example of O'Connell's Wit.

Daniel O'Connell, though brilliant and witty, was daringly vulgar when the near vicinity of Helsingfors.

"Wych" Hazel, Not "Witch" Hazel.

The correct name for Hamamelis virginica is not witch hazel, but wych ha meaning in the olden times, and the elm, as well as the nut now known as such, was hazel. One of these elms, now known as Ulmus montana, was the favorite wood for making wyches, or pro-vision chests, and was therefore known as the wych hazel. In the present day it is the wych elm. Our hamamelis rethe leaves to those of the wych hazel or elm of the old world. Language reformers imagining that wyoh should be spelled witch are responsible for the confusion. Wych hazel is the correct

term for our plant. - Meehan's Monthly. Health Before Beauty Two Irishmen who had not met for years ran across each other in Derby, and after a period of handshaking adourned for some moist congratulations. "Long time since we met. Pat. isn't it? Great lot of things have happened "Yes, indeed. Look at mesilf. Sure.

it's married I am," replied Pat.
"You don't tell me." "Faith, and Oi've got a fine, healthy bhoy, and the neighbors say he is the right in the weather report, but you are hired as a poet."—Oincinnati Enquirer. very picture of me."
O'Grady looked at Pat, who wasn't built on the lines of a prize beauty. "Och, well, what's the harrum so long as the child's healthy?"—New York World.

As Spain Sees Teddy. A Madrid paper informs its readers that "the commander in chief of the American army is one Ted Roosevelt, formerly a New York policeman," who was "born near Haarlem," "emigrated to America when young," was educated at "Harvard academy, a commercial school" (there being "no universities or colleges in America"), and that his "bodyguard" is "fittingly termed rough

Here is a recent bill of fare of a Dawson City restaurant: Coffee or tea, 75 cepts a cup; pie, 75 cents a piece; porridge, \$1.75 a plate; soup, \$1 a plate; sandwiches, 75 cents each; steak, \$3; a portion of candied fruit, \$1; whisky, 50 cents a glass; complete table d'hote meal, half an ounce of gold.

Culinary Information. Mistress-Do you call this sponge cake? Why, it's as hard as it can be.

New Cook—Yes, mum, that's the way a sponge is before it's wet. Soak it in your tea, mum.—Town and Country The antimonopolistic sentiment in

this country is not a modern idea. In 1777 Massachusetts passed an act entitled "to prevent menopely and ep-
