"YES OR NO."
When a young woman
answers "yes"
to the impetuous woo-
ing of an honorable
and ambitious young
man, it depends largely
upon her health
whether she will be a
happy or an unhappy
wife. A young wife
who suffers from weakness and disease of
the delicate and important organs that are
distinctly feminine is sure to fail of happy
wedlock. Dr. Pierce's Favorite Prescription
imparts health, strength, virility and
vitalizes. It banishes the nausea and com-
plaints of the expectant period and makes
the little one's arrival easy and almost
painless. It insures baby's health and a
bountiful supply of nourishment. Thou-
sands of homes that for years had only
needed the added tie of a baby to make
them happy now resound with the laughter
of happy, healthy childhood, as a result of
the use of this remedy. Over 90,000
women have testified to its marvelous results
in writing.

This wonderful medicine is the discovery
of an eminent and skillful specialist, Dr.
R. V. Pierce, for thirty years chief consult-
ing physician to the great "Invalids' Hotel"
and Surgical Institute, at Buffalo, N. Y. By
writing to Dr. Pierce, ailing women can
secure the free advice of a specialist who
has treated more women than any other
physician in the world, and avoid the dis-
tressing examinations and local treatment
insisted upon by obscure doctors. The
"Favorite Prescription" is sold by all good
medicine dealers.

Send thirty-one one-cent stamps to
cover cost of customs and mailage for
a paper-covered copy of Dr. Pierce's
Common Sense Medical Adviser. Cloth
binding fifty stamps. Address Dr. R. V.
Pierce, Buffalo, N. Y.
