## ITCHING SKIN.

In any Form, Whether Eczema, Salt Rheum or Piles Is Relieved at once and Permanently Cured by

Dr. Chase's Ointment.

One of the strongest endorsements any remedy can have is its adoption by the medical profession as the standard treatment for the ills for which it is recommended. Such is the position of Dr. Chase's Ointment today.

## DOCTORS USE IT.

Before the introduction of Dr. Chase's Ointment doctors admitted that they could not cure Eczema and Salt Rheum, and usually resorted to the surgical operation for piles. Now they use Dr. Chase's Ointment and know of no such thing as failure.

Of course they don't always tell their patients what they are doing, nor do they give the treatment in the original package; but nevertheless they continually order it from these firms for use in their practice and recognize it as the only absolute cure for piles and itching skin diseases.

## DOCTORS ENDORSE IT.

Canadian doctors are as yet enthusiastic than their American brothers in the use of Dr. Chase's Ointment, but on account of the strict laws of the Dominion, do not care to have their names mentioned in public print. If you are in doubt regarding the wonderful virtues of Dr. Ch. Chase's Ointment ask your family physician. He knows its record in the past and will endorse it in the strongest terms.

Dr. C. M. Hart, New York, writes: "No physician now refuses to acknowledge the claims of such remedies as Dr. Chase's Ointment which proves its virtue by curing where other means have failed."

"We know that Dr. Chase's Ointment meets all the requirements of the highest standard of medical, and that it is held in high esteem wherever used, and consequently we endorse it to every reader."

Dr. Chase's Ointment is guaranteed to cure any case of piles. 60 cents a box at all dealers, or Edmundson, Bates & Co., Toronto.

This medicine is a specific for such complaints and is highly spoken of by those who have used it. The proprietors claim it will cure any case of cholera or summer complaint.

"This lace that I am wearing to-night," said Mrs. Van Hensbergh to Mrs. Smith, "is some that belonged to my mother and grandmother." "Oh, well, returned Mrs. Smith, regarding you, "I shouldn't feel bad, even if it is old. It looks just as good as new, I'm sure."
