SATURDAY EVENING, MAY 3, 1873. Export Duty and Better Terms. There is a disposition in some quar ters to belittle the acts of our represen tatives in Parliament as much as possible. The idea is inculcated that the granting of \$150,000 for the abolition of a duty that paid us \$67,000 was one of and the acceptance by our members of I X L Violet Inkthe extra \$83,000 merely a "judicious" Removedact, just as though New Brunswick had Watchesa representative brainless enough to Agents Wantedhesitate for a moment about accepting | Clardit. This is a most encouraging way, Soapertainly, to reward our representatives for their successful labors in our behalf. Some months ago it was doubted very much whether we would get anything at all for the abolition of this duty, it being feared that the justness of our claim would be denied by Parliament. The resolutions to assume the surplus debt of Old Canada may seem sudden to some, but the THE TRIBUNE long ago not been the slightest intention on the House to prorogue without the passage of a bill to secure this result. Sir John has hinted at it in his speeches more than once, but those not well informed on the question have been mystified by Senator Robertson assured his friends this view is loudly proclaimed in a conclaimed better terms-more moneybecause its revenue was insufficient to the relief of the Province; and the reso- Prayer.
