the richness of ordinary milk

CARNATION Milk—as it comes to you—has double the richness of ordinary milk.

It is fresh, rich milk-spaporated. Water is taken away from it. When used, therefore, as ordinary milk—for example, as a nourishing, satisfying drink for the children—you should add an equal quantity of

For cooking—where you have been using skimmed milk—you may add even more water to Carnation Milk.

But for tea, coffee, fruit or cereals, you can use Carnation Milk as cream—just as it comes to you. It whips splendidly.

Now is not a day too soon to try Carnation Milk—the handiest and most economical way to buy milk. You can order a week's—a month's—supply ahead, with your groceries. Directions on every can.

Carnation Milk keeps—for several months in the can, for several days when opened. Keeps—because it is sealed safe and sterilized. Contains no preservatives, no artificial sweetening.

Like to read "The Story of Carnation Milk"? We'll gladly send you a copy. Contains 100 tested recipes. Address us at Aylmer, Ont.

Carnation

Currents By The Duchess

"We thought our last hour had me," she says, laughing softly, de looking at him a little shyly, it so prettily. "But for you, one munt say where we should be we."

Under-

ister quite as graciously, and then he horses once more commence heir snail-like progress, grinding hrough the dusty road at the r. e of three miles an hour. The little pisode is over; the young man ettles his soft hat more firmly man be the progress of sources his soft hat more firmly on his head, picks up his rod, regards it auxiously to see that no ham has eme to it because of that hasty easting of it aside, and disappears once more into the shelter of the cool wood.

"It was an adventure, I should have thought you would have well-

have thought you would have wel-comed it. Or do you look on it as a suitable beginning to our life here? —the commencement of a series of misfortunes. Vera, I wonder is that man, our Preserver (it is always said with a big P, isn't it?), I won-der is he one of our neighbors? If so, I shall be glad. He looked nice,

eh?"
"Very nice, I thought. But you know Uncle Gregory is a sort of hermit. Sees nobody, and objects to being seen by anybody."
"Oh, nonsense! One can't live wrapped up for 'ever in a veil, like the Prophet of Khorassin, in these material days. I think I'll ask our

material days. I think I'll ask our Jehu who that very opportune per-

son is."

"Oh, don't!" entreats Miss Dysart hastily, who would have been in extrems before making up her mind to extract information from her servant. Griselda, however, though of the same blood, is of different the company of the same blood, is of different than the company of the same blood, is of different than the company of the same blood, is of different than the company of the same blood, is of different than the company of the same blood, is of different than the company of the same blood in the company of the same blood is of the company of the company of the same blood is of the company of fibre. Leaning forward upon the opposite cushion, so as to get within reach of his deaf ears, she first gently, and then with much decision, jogs the coachman's elbow; the old man turns and looks at her. "Who was that gentleman who just came to our assistance?" asks

just came to our assistance?" asks she slowly, distinctly.
"Distance?" Mought be about a mile now," says he.
"No, no. Who was the gentle man who caught hold of the reins?"
"Nary drop, miss, Don't you be afterd, there ain't a spick int' clouds; see now," pointing heavenwards with his whin.

his whip.

"Nary spick, indeed," says Gris-elda, bubbling over with laughter, as she devoutly follows his gaze to the azure dome above her. "But

elda, bubbling over with laughter, as she devoutly follows his gaze to the azure dome above her. "But that's hardly to the point, Who, raising her voice, "was it who caught the horses' heads?"

"Ah, red it be, surelie. Much more o' this weather an' the farmers be cryin'. 'Red sky o' night, shepherds delight.' They're dann' selfish, I be thinkin', they shepherds. Drop o' rain now to we't tho ats and t' wheat—

"Give it up," says Miss Dysart softly from the back-ground.

"Give it up," says Miss Dysart softly from the back-ground.

"Give it up," says Miss Dysart softly from the back-ground.

"Give it up," says Miss Dysart softly from the back-ground.

"Ghat know me, I'll couquer or die in the effort, Now for a final throw." She leans still nearer or die in the effort, Now for a final throw." She leans still nearer or die in the effort, Now for a final throw." She leans still nearer or die in the effort, Now for a final throw." She leans still nearer or the old man and repeats her question. Some passing wind blows it at last straight into his brain, "Gent, eh? Do' know, miss, One-mon sort, allus," says the olc coachman, a spiteful note in his voice, resentful, perhaps, of the assistance that had saved him from certain injury, but had also revealed the fact of his somnolence. "Shop-boys, mostly. They do swarm here a' fishing-time. But they be o'no use. No use at all, missie. A curst lot they be, wi' their town ways. The result of its long experience is at your service.

"He was of great use to you, at all events. You might now have been lying hurt and crushed but fohim," says Griselda indignantly.

"True for you missie. A curst lot they be, wi' their town ways. The result of the world-full perhaps, of the assistance that had saved him from ertain injury, but had also revealed the fact of his somnolence. "Shop-boys, mostly. They do swarm here a' fishing-time But they be o'no use. No use at all, missie. You might now have him from a physical properties of the assistance had the heart of his of the assistance had the h
