TURKISH BLACK SALVE!!!

Under the Petronage of the Honorable the East India Company

THIS SALVE, prepared from the original recipe procured from a Celebrated Turkish Hakim, (physician) of Smyrna, in Asia Minor, and which has obtained an unprecedented celebrity in Great Britain and the East Indies, from the astoniabing Cures performed by it in both these countries, has been introduced into Montreal. As might be lately expected, its popularity has followed it, and its use is becoming general among all classes. The Pro-prietors, prompted by the very flattering reception it has met with in the Metropolis, have determined on extending its usefulness to other parts of Canada; on extending its usefulness to other parts of Canada; and, for that purpose, have established Agencies in all the principal cities. They flatter themselves that when its wonderful properties shall become more generally known, they will meet with that encouragement which the introduction of such a valuable medicament into a country justly entitles them. The contracted limits of an advertisement necessarily metabled their entering into any obscured details of its merits, but, for the information of the public, they intend to publish, from time to time, such statements of cures as may occur, and for the present will content themselves with merely enumerating some of the complaints for which it has been used

with the most complete success,—such as Swollen Glands, Broken Breasts, White Swellings, Cuts, Whitlows, Scalds from Steam boat Explosions, or other cause. Burns, Scrofulous Sores, Sore Nipples, Carbuncles, Scald Head, Gunshot Wounds, Bruises, Boils, Frostbites, Wens, Chilblains, Ulcerated and Common Sore Throats and Bunions. If used in time, it will prevent or crure Cancers, also, swellings arising from a blow obothe Breast, Ringworm, Pains rune, it will prevent or cure Cancers, also, swellings arising from a blow on the Breast, Ringworm, Pains in the Back, Rheumatism, Gout, Pains in the Chest, Palpitation of the Heart, Complaints in the Liver, Spine, Heart and Hip, Rusbing of Blood to the Head, Swelled Face and Toothacke. Its benefits are by no means confined to the human race, but it extends its healing qualities to the huma care. extends its healing qualities to the brute creation. It is an excel ent application for Saddle and Harness Galls, Broken Knees, Cracked Hools, &c. In fact, it is impossible to enumerate half the complaints that have been cured by the application of this salve. It is very portable-will keep in any climate, and requires little or no care in its application, as it may be spread with a knife on any substance, viz:

chamois leather, linen, or brown paper.

Fall Goods Fallen!

HAT goods manufactured expressly for a fall. Should tumble is not to be wondered at ! bu that they should be up and down at the same instant of time may appear strange! But 'truth is stranger than fiction," and MOSS and BROTHERS,

Assert that their Fall Goods are up in quality and down in price. But all the ups and downs are not so advantageous to the

PUBLIC OF MONTREAL!

As the before mentioned ups and downs of MOSS-THE SEAT OF GOVERNMENT,

is gone up and Montreal is down (in the mouth.) Rigid economy will soon purse up the month of Montreal with smiles, and by purchasing their Winter Clothing at

MOSS' FAR-FAMED MART, the careful map will best practice that best of all virtues and repair the "RUIN and DECAY" so piteously spoken of in the

GREAT ANNEXATION MANIFESTO.

ADDRESS TO SUBSCRIBERS. An illustrated title-page and index will be given at Christmas to all Subscribers in Montreal, and forwarded by post to all in the country; and the quality of paper now being manufactured expressly for the lion-hearted Punch, and the artists and engravers now at work preparing designs for a new Frontispiece, and a series of profusely illustrated articles by the authors of Punch's being, will render Punch in Canada, as a literary and artistical publication, an honour to the province which has so well fostered and protected this jolly speciment of Home Manufacture.
