

"Windsor Table Salt is the salt for us. We pay our money for good salt—made right here in Canada—that every one knows is absolutely pure.

We certainly won't pay fancy prices for an imported salt with a fancy name."

Windsor salt is all salt—pure, dry, dissolves instantly, and lends a delicious flavor to every dish.

## "Water Level Route"

It is not at all infrequent to see passengers on limited trains of the New York Central Lines, balancing a filled tumbler of water on the narrow neck of an empty water bottle. The glass will remain in this position without falling.

It has become a popular test with regular travelers, and graphically illustrates the value of the water level route. Try it yourself the next time you ride on "America's Greatest Railway System"

## To New York

It will show you how little the train motion would be likely to disturb your comfort by day or your slumber by night.

Through Sleepers at 5.20 p.m. daily and 7.10 p.m. daily, except Sunday. Trains at 9.30 a.m. and 3.45 p.m. (daily except Sunday) make direct connections at Buffalo for New York.
