Rt. Hon. Arthur Meighen,
PORTAGE LA PRAIRIE, MAN.

Dear Mr. Meighen:

As it is beginning to look as if we are going to have an election this fall I thought I would drop you a line and offer you my services at this end for any personal information you might like me to get for you or any other little service I might perform in the interest of the party.

The Young Conservatives of British Columbia are fairly well organized as it is, and we have been successful in getting back a good many of the members who deserted the ranks for the Provincial Party during the last Provincial election. We have accomplished this by welcoming them back and forbearing to criticize their actions.

Wishing you every success in your riding,

I am,

Yours very truly,

Harry Richmond
