

C 6.

without your noticing it?

Ans: Yes.

3rd Ques Def: Were you in the room very long?

Ans: I would say about two minutes.

4th Ques Def: Was there a certain amount of confusion about the scene of the accident?

Ans: No.

Rule procedure § 3B complied with.

4th Witness
for Prosecut.]

K 57018 Pte Powell, G.M.

duly sworn, examined by prosecutor.

On the night Pte Fagerik was injured I was in camp. At approx 2100hrs Pte McKenzie came to my quarters and informed me that there had been an accident in the lines. I sent Pte McKenzie to the M.I.R. to fetch a stretcher and first aid kit to the scene of the accident. I went to the officers mess and notified my coy commander, Capt Rounding, and our M.O., Capt Wright, and the new M.O. Capt Maley. With these officers I proceeded to the Coy lines where we found Pte Fagerik suffering a wound in his leg. When Pte Fagerik had been removed I checked his kit per Capt Rounding's instructions and with Capt Rounding looked for any ammunition. There was no ammunition in
