A 57841 Cpl. Clark, W.M. Cdn. Frayest Corps, No.6 (Area) Pro Coy, STATES:

At about 2300 hrs 2 Oct. 45 when I was on duty in cempany with
No. M 2372 L/Cpl. DILTZ, G., G Pro G at Victoria Station, London, 1 saw No
K 66004 Tpr. M. N. AUSSANT and No. M 15943 Tpr. REID, N.F. in uniform
standing on the public sidewalk urinating against the wall of the
building at the front of Victoria Station in the full view of many people
who were then on the street which was lighted at the time. I ordered them
to stop urinating and ordered each to produce his pass and his paybook.
They stopped urinating immediately, Pte. Roid Defiantly replied to me,
"I won't show no fucking Provest my pass". Tpr AUSSANT then defiantly replied to me "I would rather show my pass to a German the n a Provest". I
then warned each of them that if they each did not obey my order to show
his pass and paybook he would be put under arrest. A crowe of people
gathered around us, Tpr REID began to use foul language and swear at
L/Cpl. DILTZ and me. Neither Tpr. REID nor Tpr AUSSANT produced a pass
or paybook though each had ample time and opportunity to do so. I then
said to each of the accused "you are under arrest, get in the Jeep;
neither complied with this order or made a move to do so, but instead
continued to ergue with me. I took Tpr. REID by the arm to force him
into the Provest Jeep. Tpr REID fought and struggled violently to prevent me putting him in the Jeep. With the help of the driver, Tpr. REID
mas finelly put in the back of the Jeep. I then helped L/Cpl. DILTZ
force into the Jeep Tpr. AUSSANT who was struggling to keep out of the
Jeep. L/Cpl. DILTZ got into the back seat with Tpr. REID and Tpr.
AUSSANT, as I climbed into the front co-driver's seat Tpr. REID deliberately kicked ms with his booted foot in the forehead, thus causing my
forchead to bleed. Tpr. REID and Tpr AUSSANT fought and struggled against
L/Cpl. DILTZ and me all the way to STORE STREET Barrack Detention Rooms.
Trr. REID and Tpr. AUSSANT acted as though they might have had a few
glasses of beer but I did not smell any beer on their breath. Neith
