A Book for Creamery Patrons

Contains the things the dairy farmer should know and practice to the speedier attainment of a satisfactory income from his dairy and the pleasure and profit that comes of dairy work well and skillfully done. Beautifully illustrated; a book to be studied rather than read, to have its application in daily practice rather than lose itself in the mere knowing, to lead on to achievement rather than idly to entertain.

Such contributors as Hon. W. D. Hoard, President National Dairy Union; H. B. Curler, Chas. Y. Knight, C. F. Curtiss, C. P. Goodrich, W. A. Henry, and several others who are well known, is a guarantee of value. The price very low, \$1.00, postage paid. **FREE** for four subscriptions to THE FARMING WORLD. Samples and printed matter on application to

The Farming World, Toronto TOLTON'S No. 1 Double Root Cutter

Points of Merit:

1. To change from pulping to slicing is but the work of a moment.
2. There are two separate wheels, one for pulping and the other for slicing.
3. The united force of both wheels is always used in doing the work in either capacity.
4. The hopper is between the wheels, and does not choke.

The Only Double Root Cutter Manufactured

Fitted with Roller Bearings, Steel Shafting and all that is latest and best in principal, material and construction.

Tolton Bros., Limited, - Guelph, Ont.
