Look at the baskets and alfalfa stack! No exaggeration. We were mighty careful when we made these figures. They are fair, average results gained by scientific farming in Ribbert County, on and near the Great Bison Ranch which is now being sold at bargain figures—\$8.00 to \$10 per acre. Within a few years values will increase 20 percent. Soil Culture is doing wonders. It is the essence of practical agriculture. It's up to you to

"Hurry to Colorado" Now

Don't wait and ponder and wonder and hesitate till this exceptional opportunity is gone. Hustle up and get out into this new country. Breathe the life-giving gases from the great Rockies. Own one of these wealth-producing farms. Roll your crops in Denver or Omaha or St. Louis. Two railroads are within 10 miles, new one has just been surveyed through the ranch.

Rainfall is over 20 inches annually; water is near surface for wells; air is invigorating. Lung diseases are practically unknown. Fields and churches really reached; soil is deep, sandy loam, mellow and easily handled. You don't need much money to buy. We take part in cash and trust you for the rest. If you have enough cash for a small comfortable house and a few stock buildings, a team of horses, ten cows and five brood sows you can clear \$100 a year on one of our macre tracts. How can you decide quickly? This way—Send for Booklet fresh from press

"The New Colorado"

It answers questions like the following and scores of others: How much cash you'll need, how to divide it, where to get building materials, coal and wood. It shows map of ranch and distance to the nearest towns, big city markets and shipping points. It explains all about rainfall, attractiveness of climate: why you'll be glad after you come; how long you'll need to wait for profits; special aids for newcomers with schools, churches, etc. It's a book just brimming over with accurate, truthful and reasonable facts for the settler's guidance. It's yours for a postal. Sit down right off and write for it. Address quick, Dept. 32.
