BOYS FOR FARM HELP The managers of Dr. Barnardo's Homes invite applications from farmers, or others, for the boys who are arriving periodically from England to be placed in this country. The young immigrants are mostly between 11 and 13 years of age; all will have passed through a period of training in Dr. Barnardo's English institutions, and will have been carefully selected with a view to their moral and physical suitability for Canadian life. Full particulars as to the terms and conditions upon which the boys are placed may be obtained upon application to Mr. Alfred B. Owen, Agent Dr. Barnardo's Homes, 50-52 Peter St., Toronto.

A GOOD INVESTMENT

Many, many years ago farmers carried the litter with a fork to the stable door and then pitched it away as far as they could throw it.

Then the wheelbarrow was brought into use, and it did service for a number of years, when farm help was plentiful and labor was cheap.

Nowadays many successful farmers use **LOUDEN'S STEEL LITTER CARRIER**

and it works splendidly. The hoisting gear is simplicity itself, and runs so easily that a boy can readily operate it, even when the box is filled to its utmost capacity. This equipment lightens the toil, and makes choring a delight.
