## "Eastlake" Steel Shingles will save you money

### Exclusive Features

By  
The Philosopher  
of Metallic  
Town

### "EASTLAKE" STEEL SHINGLES

The Experimental Farm at Guelph Ontario ranks as one of the best in the World.

There, the farm buildings are roofed with Eastlake Steel Shingles

Some of these buildings were roofed 18 years ago—all are in perfect condition to-day.

A pretty stiff durability test, don't you think?

It's the "Eastlake" exclusive features, that no other metal shingles possess, that count.

The single side-lock and gutter—the "Eastlake" counter-sunk cleat—and three-inch lap.

The "Eastlake" single side-lock makes it the easiest and quickest to lay and permanently weathertight.

No rain or snow, no matter how fine, can sift in under an "Eastlake" Steel Shingle. There is a full three-inch lap, and the counter-sunk cleat holds the bottom of the shingle as tight as though welded in place.

The bold "Eastlake" Pattern is so deeply embossed that only the very best Steel will stand it.

Let us send you our illustrated booklet, "Eastlake Metallic Shingles." Write to-day—just your name and address on a post card.

We also manufacture Corrugated Iron, House and Barn Siding, Metallic Ceilings, Eavetroughs, Cornices, Conductor Pipe, Ventilators, etc.
