THE WINNIPEG EXHIBITION.

Monetary Times Office, Winnipeg, June 29th.

This year's Industrial Exhibition, from reliable information, will be an improvement on last year. The management and directors are working hard to have every detail arranged when the fair opens on July 10th, and are confident that the Exhibition will be the best ever held in the West.

Mayor Evans, who is President of the Exhibition Association, in urging upon the citizens to give this year's Industrial their best support, stated, that the people of Winnipeg could not demonstrate their ability to successfully hold a national exposition three years hence unless they gave enthusiastic and proper support to the Exhibition this year. The city, and the Exhibition Board, he said, had gone to a greater expense than ever before in giving a larger and better exposition, to meet the growing importance of the vast stretch of country whose wealth it represents, and he asked the merchants and public generally to contribute to the carnival spirit and enthusiastic reception that tends to abet the success of the Exhibition.

The Winnipeg Fair will be held from July 10th to 17th, and the prize list which has been out for some time is the best ever issued.
