Sin,—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines tor some years. A customer, to whom 1 can refer for any enquiries; desires me to let you know the particulars of her cuse. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the viralence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not heing able to bear up under it; fortunately able was in duced to try your Pills, and she informs me that siter the first, and each succeeding dose, she had great relief. She contigued to take them, and shihough she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cuses, but the above, from the severity of the attack, and the speedg cure, I thiak, speaks much in favour of your astonishing Pills. (signed) R. W. KIRKUS.

AN EXTRAORDINARY CURE OF RHEUMATIC FEVER, IN VAN DIEMEN'S LAND.

of a Letter inserted in the Hobart Town Courier, of the 1st March, 1851, by Major J. Walch.

Margaret M'Connigan, nincteen years of age, residing at New Town, had been suffering from a violent rheuma-tic fever for upwards of two months, which had entirely deprived her of the use of her limbs; during this period she was under the care of the most eminent medical men and was under the care of the most cumment metrical men-in Hobset Town, and by them her case was considered hoppless. A friend prevailed upon her to try Hoiloway's celebrated Pills, which she consented to do, and in an in-credible short space of time the? effected a perfect cure.

CURE OF A PAIN AND TIGHTNESS IN THE CHEST AND FTOMACH OF A PERSON 84 YEARS OF AGE.

# From Messrs. Thew & Son, Proprietors of the 1-ynn Ad-vertiser, who can vouch for the following statement. -August 2nd, 1851.

To Professor Hollowar,

To Professor Hollowar, Sik.—I desire to bear testimony to the good effects of Holloway's Pills. For some years 1 suffered severely from a pain and tightness in the stomach, which was al-so accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and not-withstanding my advanced state of life, these Pills have so relieved me, that 1 am destrous that others should be made acquainted with their virtues 1 am now rendered, by their means, comparatively active, and can take ex-ercise without inconvenience or pain, which 1 could not do before. Heydom, Esq., Sydney, New South Wales, dated February 25th, 1851. Sin, ---A Mr. Thomas Clark, a Settler at Lake George, was for a considerable time seriously efflicted with a complaint of the Liver, together with the Gravel. His medical attendents, after trying all their skill, candidly told him that his case was hopelees, and any further efforts useless. In this situation, and when expecting every day would terminate his existence, a friend recom-mended him to try Holloway's Pill's and as a torlorn hope he did so, the first dose gave him considerable relief, be therefore persevered in taking them necording to the directions, and is now restored to perfect health. He will feel great pleasure in confirming this statement, or even make an affilavit to the same effect, should it be required. (Signed) Wm. JONES, Proprietor of the Goulburn Herald, New South Wales.
