

Book Steward's Department

The Rev. H. PICKARD, D.D., Book Steward. The Rev. T. W. SMITH, Assistant Book Steward.

BOOK STEWARD'S NOTICES.

1.—The Rev. John S. Peach, has consented to act as Agent for the Book Room and WESLEYAN Office at the ensuing Newfoundland Conference. The personal accounts of the members of this Conference have been forwarded to him; and the Brethren are requested to settle with him and to pay all the moneys due either Book Room or WESLEYAN Office as early in the session of the Conference as possible, as it is exceedingly desirable that he should make his returns to the Book Steward at the earliest practicable period.

It is hoped that all the Brethren will be prepared to settle their personal accounts with him promptly and also to report fully concerning the WESLEYAN Lists on their respective Circuits and Missions. The Lists of Subscribers in Newfoundland must be subjected, immediately after Conference, to revision such as was given to the Lists of the other Conferences early in the year—the effect of such revision being—the removal from the Mailing Lists of the names of persons who have not paid each a year's subscription within a year, until such a payment is made.

Bro. Peach will receive and forward to the Book Room Orders for any Books which he may not be able to supply at the Conference; and all such orders will receive prompt attention.

2.—The Assistant Book Steward—the Rev. T. Watson Smith will represent and act for the Book Room and WESLEYAN Office at the Nova Scotia Conference.

The personal accounts of the members of this Conference will be sent to them at the approaching District Meetings; and all who cannot remit the amount due immediately to the Book Room, are requested to be prepared to settle with Brother Smith at the Conference.

3.—The Book Steward expects to attend the New Brunswick and Prince Edward Island Conference; and he hopes that the Brethren of this Conference will meet him at Saint John prepared to settle their accounts promptly.

4.—All persons not members of either Conference, who are indebted to either the Book Room or WESLEYAN Office, are also respectfully requested to settle their respective accounts and to pay whatever is due, whether the amount be great or small, within a month, as the present Book Steward is soon to be allowed to retire from Office, and he very much wishes to avoid having to hand to his successor an unnecessarily long list of over due accounts; Moreover every Dollar which is due is now needed to meet urgent claims against the office.

H. PICKARD, Book Steward.

HOME EVIDENCE IN FAVOR OF THE PAIN-KILLER.

WHY experiment with unknown mixtures without character or reputation, when this world-renowned PAIN-KILLER which has stood the test of over 40 years, can be had for the same price at any Drug Store in the Dominion?

READ THE FOLLOWING.

OTTAWA, ONT., March 2, 1880. The writer has been selling Perry Davis' Pain-Killer now for the last 22 years, and can confidently recommend it to the public as a sure remedy for Cholera, Diarrhoea, Sore Throat, Chronic Coughs, Bronchitis, Burns, Scalds, &c. Have known it to cure a case of Syphilitic Sore Throat of two years' standing, when all the usual remedies failed. The patient took half a teaspoonful in water three times a day, and gargled the throat three times a day as follows: one teaspoonful in a wine glass of water, and used as a gargle.

Yours, H. F. MACCARTHY.

MATLAND, ONT., February 26, 1880.

I have much pleasure in adding to the number of the numerous testimonials you have already received, as to the value of your renowned Pain-Killer. I have sold it and used it in my family for twenty years or more, and have no hesitation in saying that it is the best patent medicine I have ever used for the purposes for which it is recommended; and, moreover, every person to whom I have ever sold it, has been perfectly satisfied with it, and I know many persons who will not go to bed at night unless they are sure there is a bottle of "Perry Davis'" in the house. All who have used it once, will use it again; it makes friends and retains them.

Yours truly, JOHN DUMBRILLE, Druggist.

SPENCERVILLE, ONT., February 26, 1880.

We have much pleasure in certifying that we have kept Perry Davis' Pain-Killer constantly in stock for upwards of twenty years, during which time it has taken the lead in sales over all other patent preparations, and has become an old, reliable family medicine. No effort is required now on our part to sell it, as it is as staple an article as flour in our trade.

Yours truly, W. P. IMRIE & CO.

MADOC, ONT., February 16, 1880.

It gives me much pleasure to state that during a drug career of more than a quarter century, I can testify that your family medicine, which is called "Pain-Killer" has not only been a family medicine, but still occupies the front rank wherever duty calls it. My customers speak very highly of it, and I could send no end of testimonials showing up its merits and medicinal worth, were it necessary, which it is not. It should, however, be called "Excelsior Pain-Killer." I pride myself in never being out of it.

Yours very respectfully, JOHN G. DEANS.

STOON, ONT., February 17, 1880.

We have great pleasure to state that the Pain-Killer holds its position in this case as the best family medicine. Although there are a great many other remedies in the market—some bearing nearly the same name—as Pain Relief, Pain Remover, Pain Destroyer, and such like names, we find that the difference, and are sure to ask for Perry Davis' Pain-Killer. We have been selling Pain-Killer for the last fourteen years.

Yours truly, P. & E. MURPHY.

PORTLAND, ONT., March 9, 1880.

I have been using the Pain-Killer for many years with results that justify me to recommend it. As a family medicine, we consider it almost indispensable; being good not only as a pain-killer, but for colds and sore throats, and many other ailments for which it appears specially adapted. I have used it myself, chiefly as a liniment, and find it valuable for rheumatism and neuralgia, and such like ailments. I pronounce the Pain-Killer a good and cheap medicine, and worthy of all acceptance, and send you this certificate that you may assure the public that it is no humbug.

Yours truly, THOS. GRAHAM.

ESCOTT, ONT., March 4, 1880.

We hereby certify that we have used Perry Davis' Pain-Killer in our families for several years. We consider it a very useful and necessary article to be kept in all households as a remedy in case of accidents and exposure to attacks occasioned by cold.

JEREMIAH CURTIN, J. J. DOWLEY, JOSEPH F. REDMOND, ARCH. GREER.

MATLAND, ONT., February 22, 1880.

I have used your Pain-Killer for the last twenty years. I carried it with me all through the American War. I believe I would have been dead long ago, if it had not been for your Pain-Killer. I think it is the best remedy in the world for which it is recommended.

Yours very truly, N. W. LAFONTAINE.

PORTLAND, ONT., February 26, 1880.

I have sold the Perry Davis' Pain-Killer for over thirty years, and the same has always given my customers entire satisfaction, and I have much pleasure in recommending it as a good and reliable family medicine.

S. S. SCOVILL.

PRESCOTT, ONT., February 27, 1880.

I have sold your Pain-Killer for the last nineteen years in this town, and feel safe in recommending it to the public for the diseases given in your circular. I can assure you my customers speak well of it as a general family medicine. It takes the lead of all other similar preparations.

Yours, &c., GEO. BIRKS.

COBBOURG, ONT., March 2, 1880.

I have been selling Perry Davis' Pain-Killer for the past six years, and have much pleasure in stating that this medicine has been the largest seller of any other patent medicine that I have on my shelves, and in these years I have never heard a customer say that it was not the best medicine he had ever used. It is an article that seems to have combined in it all that goes to make a first class family medicine, and as long as I have a house and store, Perry-Davis' Pain-Killer will be found in both.

Yours, &c., J. E. KENNEDY.

MADOC, ONT., February 16, 1880.

Your Pain-Killer as a family cure all has been in constant use in my household for a long term of years, and I would never desire a better cure. It never fails me. I call it the "Old Reliable."

Yours very truly, HORACE SEYMOUR.

TANWORTH, ONT., March 4, 1880.

For twenty-three years past I have sold Perry Davis' Pain-Killer, and have always found it to give good satisfaction. I have frequently used it in my family, and received great benefit from the use of it in that way. Although many imitations of it have been put on the market, and are pushed hard, yet the old, reliable Perry Davis' Pain-Killer holds its own, and is a very popular domestic medicine.

Yours respectfully, JAS. AYLWORTH.

The PAIN-KILLER

New Boot and Shoe Store

We have just opened in the store lately occupied by C. R. THOMPSON, No. 16 Granville Street, next door South of the LONDON HOUSE, a splendid Stock of

BOOTS and SHOES,

The greater part of which have been MANUFACTURED BY OURSELVES, AT THE INDUSTRIAL SCHOOL,

Expressly to suit the times, showing the purchasers the very best value for the smallest amount of money—and feel certain—that we can give better value than any house in the trade, in support of which, we call the attention of the public, to some of the advantages we possess.

FIRST—We make our Staple Goods by HAND at the INDUSTRIAL SCHOOL, and are thus able to produce a much better article than those made by machinery.

SECONDLY—By making our Goods and selling them ourselves, you buy them first hand, hence you have only to pay for the material and one small profit.

THIRDLY—As you buy from the maker his responsibility to you is greater than if he had purchased the goods of another and was selling them again.

If the style and size of the boot does not suit, you can have them made at a trifling additional cost. We sell for CASH and cash only to keep strictly by this we cannot send out for approval, all parcels being paid for before they are sent.

Should they not suit we will return the money.

Consequently the cash buyer is not compelled to pay those bills that are lost as the result of the CREDIT SYSTEM. These with many other advantages we could mention warrant us we think in reasserting that we can give better value than any house in the trade.

COUNTRY MERCHANTS who buy in small lots for Cash, would do well to give us a call before purchasing elsewhere.
