If the music selected amounts to just \$1, send only the 15 pictures, your name and address. If in excess of \$1, postage stamps may be enclosed for such excess. We make this liberal offer because we desire to give a present sufficiently large to induce every one to give Dobbins' Electric Soap a trial long enough to know just how good it is. If, after trial, they continue to use the soap for years, we shall be repaid. If they only use the fifteen bars, getting the dollar's worth of music gratis, we shall lose money. This shows our confidence. The Soap can be bought of all grocers—the music can only be got of us. See that our name is on each wrapper. Name this paper. A box of this Soap contains sixty bars. Any lady buying a box, and sending us sixty cuts of Mrs. Foy, can select music to the amount of \$4-50. This Soap improves with age, and you are not asked to buy a useless article, but one you use every week.

\$10 The manufacturers have shipped us 6,000 of these watches, and called orders to sell them at \$10 each. They are heavy hunting cases of beautiful workmanship, also of engraving. Guaranteed pure mint coin silver 99.99, the finest make, patent lever chronometer action, full jewelled garnets and diamonds, and containing all the latest improvements, and as time-keepers cannot be surpassed. This is the same style of watch as is sold for \$10.00 or \$8.00 each by the Jewellers in London, Eng. Counting cost of five per cent and advertising, including other expenses, the maker \$8.00 each, and he offers them at \$10.00, having adopted the new rule of selling exclusively for prompt cash at more fractional profit. You get the exact same watch \$20.00 below retail price by ordering through us, saving 1st. The manufacturer's profit on credit sales to the wholesale trade 50 per cent. 2nd, the profit added by the wholesale dealer on sales to the retail trade 50 per cent more, and 3rd, the jeweller's profit in selling to you of \$10.00 watches than 100 per cent, as his sales are so few that he must make large profits in order to make a penny. By ordering through us, you save from 40 to 60 per cent. The price is increased by three from 40 to 60 per cent, and at factory price, the price is more than the wholesale price for a gross. When ordering, please specify the number of watches, and the name of the manufacturer, and we will send you the watches in first class running order and 5 years guarantee. W.
